V.F.W. POST 10185 NEWS

By Past Post Commander James Egan 732-644-2119

The next meeting of Silver/Holiday V.F.W. Post 10185 will be held on Thursday, July 3rd at 1:00 PM at the Silver Ridge Park West Clubhouse, 145 Westbrook Drive. We hold our meetings on the first Thursday of every month. We meet in the daytime, so you do not have to drive at night.

To join our post, just bring a copy of your Discharge (DD-214) to our meeting and you'll receive a hardy welcome and refreshments before the meeting. If you need a ride to the meeting or want more information without any obligation call Post Commander James Egan at 732-644-2119.

Remember if you hear of any Post member passing away or being in the hospital, call any officer and let him know.

Friday, July 4th, is Independence Day, remember to fly your flag and watch the Fireworks in the evening.

Saturday, July 26th, marks the 71st Anniversary of the ending of the Korean War. The monument to the Korean War is located at the Boardwalk and Park Place in Atlantic City, NJ. There is usually a ceremony held there every year by the local Veteran organizations, so that the Korean War will never be known as the "Forgotten War."

For the Veterans Fighting the Global War on the Terrorism against ISIS, you are eligible to join the Veterans of Foreign Wars. The Eligibility dates are June 15, 2014 – TBD. For more information go to WWW.VFW.org/Join/Eligibility.

The VFW would like you to drop your old and faded Flags off at either H. C. S. Clubhouse (Main Building), S. R. P. W., S. R. P. N., S. R. P. E., S. R. P. Westerly, Holiday Heights, and Holiday City Berkeley Clubhouses.

Medicare – PACE Program

Program of All-inclusive Care for the Elderly (PACE)

PACE stands for Program of All-inclusive Care for the Elderly. It is an innovative Medicare program that provides individuals aged 55 and older comprehensive medical and social services coordinated and provided by an interdisciplinary team of professionals in a community-based center and in their homes, helping program participants delay or avoid long-term nursing home care. Each PACE participant receives customized care that is planned and delivered by a coordinated, interdisciplinary team of professionals working at the center. The team meets regularly with each participant and his or her representative to assess the participant's needs. A participant's care plan usually integrates some home care services from the team with several visits each week to the PACE center, which serves as the hub for medical care, rehabilitation, social activities and dining.

To participate in PACE, an individual must be 55 years of age or older, require nursing home level of care but be able to live safely in the community at time of enrollment with the services of PACE, and reside in the service area of a PACE organization. PACE participants may disenroll from the program at any time and for any reason and those with Medicare or Medicaid who disenroll will be assisted in returning to their former health care coverage.

PACE provides its participants with all services covered by Medicare and Medicaid, without the limitations normally imposed by these programs. It also provides any other services deemed necessary by the interdisciplinary team that would allow program participants to remain in the community. Services provided by PACE include, but are not limited to, primary care (including doctor, dental and nursing services), prescription drugs, adult day health care, home and personal care services, nutrition services, and hospital and nursing home care when needed. Transportation to and from the center and all off-site medical appointments is also provided.

PACE agencies receive a set amount of Medicare and Medicaid funds each month to ensure participant care, whether services are provided in the home, community or in a nursing home setting. This capitated funding arrangement rewards providers who are flexible and creative in providing high quality care and gives them the ability to coordinate care across settings and medical disciplines. The program also accepts participants who pay privately.

Two PACE agencies are currently operating in Ocean and Monmouth Counties, New Jersey, and you must live in their coverage area to participate. Those centers are:

- Beacon of LIFE, located in Lakehurst. It serves all zip codes in Ocean County.
- Beacon of LIFE, located in Oceanport. It serves all zip codes in Monmouth County.

For more information, please contact: New Jersey Division of Aging Services toll-free at 1-800-792-8820 or contact the PACE agencies currently in operation.

Sudoku requires no calculation or arithmetic skills. It is essentially a game of placing numbers in squares, using very simple rules of logic and deduction.

The objective of the game is to fill all the blank squares in a game with the correct numbers. There are three very simple constraints to follow. In a 9 by 9 square

Sudoku game:

- Every row of 9 numbers must include all digits 1 through 9 in any order
- Every column of 9 numbers must include all digits 1 through 9 in any order
- Every 3 by 3 subsection of the 9 by 9 square must include all digits 1 through 9

Every Sudoku games begins with a number of squares already filled in, and the difficulty of each game is largely a function of how many squares are filled in.

The more squares that are known, the easier it is to figure out which numbers go in the open squares. As you fill in squares correctly, options for the remaining squares are narrowed and it becomes easier to fill them in.
