Country Walk Women's Club Happenings

The Country Walk Women's Club's membership has grown to over 50 members again this year. The Central Regional High School choir performed for the ladies at the March meeting. It was the second time the choir visited the Country Walk Women and the ladies once again enjoyed their performance. At the April meeting, the club enjoyed the Kentucky Derby, Country Walk style. The highlights of the evening included fancy hats and our own style of horse racing. Everyone had a goodtime!

Due to a conflict in scheduling instead of the regular monthly meeting, the club has scheduled other events in May. On Wednesday, May 28 the ladies will be taking a bus trip to Calloways for lunch, followed by a show at the Surfflight Theater. The ladies will enjoy the musical production of "Top Hat", featuring the music of Irving Berlin.

On May 15, the club is sponsoring a comedy night for the entire community. Tickets will go onsale on Thursday, May 8 at 6:30 in the clubhouse. All residents are welcome to come and enjoy the stand-up comedy of Robin Fox. She is a past winner of the prestigious Ladies of Laughter Competition and has performed at some of the top comedy clubs across the country. Tickets are only \$10 per person. Tickets can also be purchased at the door the night of the show, for \$15. The show begins at 7:30. So buy a ticket and come out to the clubhouse for a few laughs!

If you are a resident of Country Walk and want to join the other women in the fun, membership is still open. The next meeting will be held on Monday, June 30 at 6:30 p.m..

SATURDAY, MAY 10th

9:00am to 3:00pm

(RAIN DATE MAY 17th)

There is no sign-up for this event.

NO PARKING

The Management Office and Board of Directors have been receiving numerous complaints of cars parking in the “KEY” of Courtyard Driveways. This is a NO PARKING area and must be adhered to by all residents/guests. What was once an occasional occurrence has now become a frequent offense and inconvenience to neighboring homeowners. Please be considerate of your neighbor and refrain from parking in the key. The key is a designated area to allow ample space to back a car safely out of a garage and exit the courtyard common driveway. Continuance of this infraction will result in a \$25.00 fine each time a car is parked in the key. The fine will be assessed against your home and collected in the same manner as the Association's ordinary common expense assessments.

Pool Committee Volunteers Needed!

Do you love spending time by the pool? We're looking for residents to join our Pool Committee! Help us make our pool experience the best it can be by assisting with opening and closing procedures, testing water quality, and even operating the pool vacuum. If you're passionate about pool days and community spirit, we'd love to have you on board.

Interested? Please fill out a Committee Volunteer application [Located in the clubhouse].

Let's dive in and make a splash together!

Feel free to share this opportunity with others who might be interested.

Pool Committee Chair*

It's Bocce Time 2025!!!

It's May, so it must be Bocce Time! Our Country Walk League will begin weekly play on Tuesday, May 6 at 6:00 p.m. Each week the teams will be scheduled to start play either at 6 or 7 p.m., weather permitting. Last year the league had grown to 8 teams of 6 players each. That's 48 residents participating! Every Tuesday, the teams are scheduled to play 2 games each. The League will continue until early July, when the play off matches will be scheduled and a new champion will be crowned!

Even those residents, who have not signed up to play, can come out to the courts and cheer on their neighbors and friends. All are welcome. See you at the courts!

KIRMS PHOTOGRAPHY

Aperture, Shutter, Program

This is the final chapter in our three part series on controlling your exposure - Shutter priority. With Shutter priority you choose the shutter speed and the camera sets the aperture. this is useful when you want a slow speed to blur moving subjects, or a fast speed to stop the action.

Choose a slow shutter (1/20, 1/30) to blur moving objects, such as running water. You may need a tripod or other camera support to stop blurring that comes from camera shake. Choose a fast shutter (1/500, 1/1000) if you want to freeze moving objects, such as a bird in flight or sports action.

If your camera has the small picture icons you can use the sports icon to freeze action and the mountain icon to blur moving subjects.

As always you can email to bill@kirmsphotography.com with any photographic questions. If you'd like to see more of my images, simply visit my web site at www.kirmsphotography.com.

Keep shooting and improving your images, but most importantly, have fun with your camera.
