The funds to meet this expense will be provided by account #3270—Capital Replacement/Roofs. The Board will vote on this matter during the next open Board meeting scheduled for April 2, 2025.

- V. Demeski mentioned that the 2025 roofing RFPs were sent out to seven roofing contractors. This RFP is for labor only. The following bids were received: (Roofing Masters and Trinity Roofing did not submit bids.)

Steve Whitman	\$264,852.00
All County Exteriors	\$271,130.00
It's All Good Construction	\$280,500.00
Fischer	\$290,320.00
Mexem	\$453,980.00

Management is seeking approval to contract with All County Exteriors for roofing labor in 2025, totaling \$271,130.00. - V. Demeski mentioned that a component of the roofing project involves purchasing the materials separately. Management solicited bids from three suppliers for roofing materials. They specifically requested bids for IKO Dynasty shingles; however, Universal Supply does not carry IKO products, so they submitted a bid for Atlas shingles instead. All bids are subject to tariffs and depend on manufacturers honoring the quoted prices. The Board was provided with a letter from IKO, the shingle manufacturer, indicating a \$3.00 per bundle tariff surcharge. Below are the bids for the materials required to complete the roofing project.

Supplier	Total cost for Materials

F. Weinstein seconded. There was no discussion, and a vote was called. All were in favor, and the motion carried.

- J. Snyder spoke about the electric rate increase from JCP&L. The Electric bill includes two charges: the supply charge for the cost of the actual electricity used and a charge from JCP&L for delivering electricity to the home. For the supply charge, residents can shop and choose a third-party energy supplier that may offer the best price for electricity.
- The Board's Goals and Objectives for 2025 were presented and will be available on the LVW website.

Manager's Corner

Jackie Ascione

Hello to all Leisure Village West Residents,

I would like to take a moment to introduce myself, somewhat informally.

I have lived in Toms River my entire life and worked in private industry, government and in HOAs for my entire career. My family owned a flower shop on Route 9 in Toms River for over 50 years, and while I worked there for as long as I can remember, as soon as I turned 17, I began to deliver flowers all over Ocean County, including Leisure Village West.

I consider myself a Jersey Girl, I love the beach (or shore), pork roll and cheese, fresh corn and tomatoes, the Pinelands, Bruce, the Garden State Arts Center, Giants Stadium (I can't stop calling those venues by their original names) and local summer.

My greatest achievement in life was fostering and adopting my son and daughter when they were in their early teens. They are both now married, and Darren has a son who is 5, and my daughter Mandee has three children; 15 years old, 5 years old and 3 years old. Having grandchildren makes putting up with your kids worthwhile for sure!

I am a dedicated advocate of animals and wildlife. I usually get injured petting something that I should not have.

Everything I have seen about Leisure Village West is exciting and beautiful and I am looking forward to working as your Community Manager.

Jackie Ascione

Caritas Guild members were happy to meet again in March after our winter break. We collected gift card and monetary donations for the LVW Food Pantry. Representing the Pantry, Rita Wing thanked us and told us how much the donations would mean to their ability to purchase goods specifically to the individual needs of the recipients. She also provided applications and encouraged us to refer any neighbors in need to the services of the Pantry. Following refreshments, we were entertained by Granny and The Boys with Irish tunes and singalongs. Their concluding song, "Danny Boy" brought a tear to many an eye.

As you read this article, we will have enjoyed our April meeting with Chair Yoga exercises and a collection of pet supplies for the Jersey Shore Animal Shelter. We will also have had a very successful Annual Card Party.

In May, we are looking forward to our meeting on May 20 at 2 p.m. in Club Encore. We will be presenting checks to four local charities from the proceeds of the Card Party. We appreciate the generosity of our members and guests so that we can make these contributions to very worthy organizations that serve our local community.

We will also be entertained on May 20 by Gordon Douglas, a pastor and comedian who reminds us that "God has a sense of humor." Pastor Douglas of Merry Heart Ministries has performed at many variety shows, conferences and community functions. Guests are always welcome.

Pickleball and Social Club

By Catwin

Attention all members, new members, and potential members

The time has come. May is here and Pickleball orientations and drills will be starting up again! As a new full member, whether it's your first time playing or you have played before, orientation is a great way to learn about our commitment to members learning proper techniques, and having FUN! Our very own certified Pickleball instructor, Tim Erbe, conducts orientation, where he will go over the basics in a small group setting. Drill schedules and playing schedules for the upcoming months are also being finetuned and will be posted on Team Reach soon.

As a member, you have access to both our Team Reach and Facebook page accounts:

Team Reach is a free app that is used by LVW Pickleball Club to communicate daily happenings on the courts:

- Drill schedules of all levels and signups. Drills are limited to 8 people per session.
- Open play court schedules for different playing levels.
- Communication between members to play during off-scheduled times.
- Announcements of special events, social gatherings.

The LVW Pickleball Facebook page is our private group for members. Here we can all:

- Communicate happenings in our Club.
- Post Pickleball training videos.
- See information regarding special events and announcements.

Our fundraiser event for "The Association of Frontotemporal Degeneration" (AFTD), was very successful with over \$4,200 raised. The event held on April 1 was an awesome night of music with "The Flying Ivories - Dueling Pianos," who donated their talent, time, and a night of interactive entertainment; all to help raise money for a disease that often goes undiagnosed or misdiagnosed for years.

Our next monthly meeting will be on Tuesday, May 6, 7 p.m. at Club Encore. As always, we welcome new members with or without Pickleball experience, and whether you are a playing member or a social member. Remember, Facebook and Team Reach are our social media outlets for paid members.

Westernaires

By Jeannine Pryor

The Merry Month of May

Westernaires would like to thank everyone who came out and joined us for our April Showers and May Flowers Singalong fundraiser. We hope you all enjoyed the games, prizes and goodies and would like to thank all the Westernaires who baked, prepped, and served. We loved helping you celebrate your Spring Holidays. Hoping everyone had a happy Easter and Passover. Of course, we are continually grateful for all the support we get from our friends and family here in the Village, who faithfully attend our events.

While we wait for our next event, we get to celebrate the Merry Month of May. May is a wonderful time of year, with the smell of spring in the air and the anticipation and excitement for the warm sunny days of summer. We get to observe some special holidays this month like Mother's Day and Memorial Day to name a few. On Mother's Day, we get to celebrate however we like, as there is no general theme or rule for this holiday. We need only to express love and appreciation for all the moms and motherly figures that are important to us. Mothers, wives, grandmothers, daughters and granddaughters all deserve to be honored on this special day. Families come in all shapes and sizes, and that shouldn't stop you from

finding a way to make the most of this special holiday.

Memorial Day is celebrated at the end of the month. We should all remember the reason for this day, and honor those that have fallen while in service to their country. It is important to remember their sacrifices as part of the reason we are able to enjoy what we have today. This should be a day of reflection while we are celebrating with family and friends. On a lighter note, let's not forget that everyone enjoys this last weekend of May with a day off from work and parties and celebrations that help to kick off the summer.

And speaking of kicking off the summer, why not come and join us the first weekend of June for our "Broadway Review" concert. In the words of Rodgers and Hammerstein, "June is Busting out all over." This will be just one of many toe-tapping tunes you'll get to hear. The concert dates are Saturday, June 7 and Sunday, June 8. Flyers and information for this event are out now. Tickets are \$10 and are available now. They may be purchased before the event from one of your favorite Westernaires and will also be available at the door. As always, your ticket is good for either the Saturday or Sunday performance.

We are always looking for new members. If you're interested in singing with us, please feel free to contact Jeannine Pryor, President of Westernaires at 914-649-5544.

LGBTQ+

& Friends

By Wayne Steinman and Lou Venezia

Greetings, Leisure Village West!

The LGBTQ+ & Friends Group had a wonderful St. Patty's Party in March with lots of good food and surprises all the way. More than 50 people were in attendance. We went over the rainbow and into a pot of gold! Many thanks go to our group leader, Lou Venezia, for coordinating and hosting this wonderful event.

In April, we gathered for some good old friendly schmoozing. We are well-versed in the art of socializing!

In fact, we are going to do it again at our May event on Monday, May 12! Bring your smiles and happy attitudes and let's have a good time. Join us at 7 p.m. in the Willow Hall Auditorium when we will socialize and share in friendship and good will. As always, please bring a snack to share and a beverage for yourself.

The LGBTQ+ & Friends Group continues its supportive environment for everyone in Leisure Village West. We welcome our lesbian, gay, bisexual, transgender and questioning residents, plus our friends, to join us.

**In Flanders Fields
BY JOHN MCCRAE**

In Flanders Fields, the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

We are the Dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie,
In Flanders fields.

Take up our quarrel with the foe:
To you, from failing hands, we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields.

Organization for Rehabilitation Through Training

Club Encore became an island in the Caribbean for one evening on Thursday, April 3. ORT created a room full of bright-colored scenes and tables to enhance an atmosphere found in Jamaica. A variety of appetizers from Bahama Breeze, including flavored wings and plantains, were served. Tropical fruit bowls decorated each table. The voice of Reggae musician, Smokey Starr, encouraged the audience to sing along and even dance. A variety of delicious pastries enhanced the dessert table. A special thanks to Phyllis Schwartz, Chairperson, and her entire committee for all their time and hard work. Thank you to Fay Weinstein and Tammy Gincel for their treats. We appreciate all who attended to help create a successful event.

ORT's May 1 general meeting celebrates "An Evening with Julia Child!" Linda Kenyon, television, stage and film actress and impersonator, comes to the Club Encore stage. She has performed at many venues and events, and as a TV character in Star Trek. Her program is "Julia says Bon Appetit," speaking about her private life and love. Join us for an amazing evening and yummy desserts. All are welcome.

All members and guests who wish to become a member are invited to ORT's paid-up membership luncheon. It will be held on Thursday, June 5 at 12:30 p.m. in Club Encore. AristaCare Rehabilitation and Nursing Facility will be sponsoring the luncheon. Entertainment will follow.

Our Board meetings are held monthly on the third Thursday from 10:30 to 11:30 a.m. in Club Encore. A birthday luncheon follows each month at a different restaurant. Everyone receives their own checks as we celebrate the birthdays each month. All members and non-members are welcome to attend.

Happy Spring!

HAPPY MOTHER'S DAY

Did the April showers bring your May flowers yet?

Wishing all the beautiful moms and grandmas a Happy Mother's Day from VISTON! Enjoy your incredibly special day! We also extend wishes to all the dads who have a dual role. Children bring out the best of everyone with their laughter and their innocence.

Volunteers are the backbone of our Leisure Village West Community. Every one of our volunteers is a valuable resource and we are always in need of additional volunteers to maintain our services. The reward a volunteer receives is the good warm "loving" feeling you receive knowing you made a valuable contribution and a difference in someone's life. Please consider becoming a VISTON volunteer. **We NEED DRIVERS!** Without drivers, we cannot accommodate fellow residents needing medical services. There is no other GIFT as valuable as the GIFT of your TIME to help someone in need.

If you are not able to volunteer, please consider donating to VISTON. We are a separate and distinct entity from LVWA and we do not receive funds from LVWA. We do have clerical and supply costs for which we rely on donations. Checks can be made payable to VISTON and given to your driver or shopper, dropped off at the VISTON office during open hours or put in the white VISTON mailbox outside the office door.

Anyone may visit the VISTON office in person, Monday, Wednesday, or Friday from 10 a.m. to 12 p.m. to sign up to become a volunteer. VISTON PHONE: 732-657-1818. If you call our office during off hours, you may leave a message and your call will be returned within 24 to 48 hours.

NOTE: There is a 7-day window to arrange a driver for your transportation. You MUST call 7 days prior to your appointment to arrange for a ride. If not, the availability of a driver for your ride may not be possible.

**VISTON APPRECIATES YOUR UNDERSTANDING IN THIS MATTER! THANK YOU

West Village Players

By Christopher Ritter

Miss Duloxatine, the Reindeer King's mistress, and her cohort Fayette Von Vulca, are distraught over the fact that The Players Club meeting normally scheduled for Tuesday May 27 at 7 p.m. WILL NOT take place, due to the meeting date falling on the day after Memorial Day. Miss D. and Fayette are disappointed, but we figured all of you out there would still be recovering from excessive hamburger and hotdog consumption. Instead, we're planning something special for our next meeting on Tuesday, June 24. Watch for more information coming out on a flyer near you.

If Fayette and Miss D. are upset about that, hold on to something secure, because they're really bummed after hearing that the Spring Musical Play scheduled for May 17 and 18 has had to be POSTPONED, due to circumstances beyond anyone's control. We're going to do our best to make it right by bringing the show to the stage this coming fall, even bigger, brighter, shinier, faster and better.

Fayette's prodigal progeny, Yot, has observed that now that spring is in full bloom, we should all be thinking about joining the Players Club because...

There's No Business, Like Show Business...
So Let's Go On With The Show.

Irish American Club

By Ellen Truberg

We invite you to join in our Irish-themed monthly meeting on Tuesday, May 13, at 7 p.m. in Club Encore. Everyone is welcome to attend.

Our Carnival in April was an outstanding success. Attendees tremendously enjoyed the various games, prizes, and delectable treats. Moreover, we can never overlook the unforgettable presence of *Chrissy the Clown*!

The upcoming Craft and Vendor Fair, set for June 10, is currently in the planning process. We are excited to feature a diverse array of both new and returning crafters and vendors. Attendees can look forward to a variety of offerings, including jewelry for men and women, leather goods, delicious baked treats, exquisite beaded jewelry, expertly crafted tie-dyed accessories, and much more. The Volunteer Auxiliary for Animal Shelters Inc. will once again be joining us. This event, taking place in Willow Hall, will feature a mix of both familiar and distinctive items. It will begin at 3 p.m. and conclude at 7 p.m.

This month, our Club was delighted to acquire a new desk for the Village Pantry. It was a privilege to support the dedicated volunteers of the pantry. Additionally, we have provided numerous oven mitts for the kitchens in each recreation hall, thanks to our Club's efforts.

The meeting in July will feature the exciting theme of "Christmas in July," which promises to be filled with delightful surprises, including a personal appearance by Santa! Please remember to bring your phone for capturing photos.

*May your troubles be less,
and your blessings be more*

ROAD TRIP FOR THE MONTH OF MAY LUNCHEON

The LVW Cooking Club will be going on a Road Trip for our May Luncheon; it's on May 13 at 1 p.m. So grab your car keys and your friends and head out to the Koi Hibachi Restaurant at 1256 Indian Hill Road in Toms River. We will enjoy a delicious meal cooked right before us on the Hibachi grill; you will have a choice of several different main dishes plus fried rice and vegetables - eating lunch with chopsticks is optional but may be more fun! These chefs are quite entertaining as they stir fry up our meals in the lovely Dining Room - which can only accommodate 50 people; so, signing up for this lunch trip is essential. The cost is \$16 per person, paid by check and is nonrefundable. And after your lunch, stop by and see the Replicas of the Chinese Terracotta Warriors & other Chinese artifacts in a room off the Main Entrance; so interesting and informative and a great way to end your road trip lunch!

Just a reminder, membership for the Cooking Club begins in January and is \$8; hopefully everyone has paid their annual dues! If you want to participate but do not want to cook, you can pay \$7 to join in the fun and taste the dishes of the month. We also have Lucky Bucks each month, \$5 for 10 tickets. It's a chance to go home with a few bucks and not just an empty serving dish!

Next month, we're back in the Village for our Annual Picnic and last luncheon until September. Please join us on the Patio at Willow Hall (weather permitting) as we share some yummy food and fun before we begin our summer vacations.

Lastly, we wish you a Happy Memorial Day weekend as we remember those who gave their lives as they served our Country to give us the freedom we enjoy here in the USA!

Jewish American Club

By Helen Epstein

A delightful time was had by a nice crowd of members and friends at our Old West Party and Square Dance. Ed Crowley was the caller and several groups joined him on the dance floor to try and follow his direction. It's amazing how so many grown people can't tell their right from their left, which made for a fun experience for the dancers, as well as the spectators. The reward for this hard work was an assortment of Tex/Mex appetizers, catered by Taqueria La Michoacan's in Lakehurst, chips and dips, and delicious desserts. A good time was had by all. Sponsors for the program were PQ Painting & Home Improvement and Century 21 Solid Gold Realty.

On May 22, Carole Brown of the LVW Travel Club will be our guest. She will do a PowerPoint presentation of the trips that the Travel Club has done over the years. There will be a question-and-answer time for suggestions and information about future trips. We invite you to take that journey with us on Thursday, May 22 at 7 p.m. in Willow Hall.

Our programs for the remainder of the 2025 season are set and I promise you, they are informative, enjoyable and entertaining. So watch for information so you don't miss anything. Add the fourth Thursday of the month at 7 p.m. in Willow Hall to your calendar. Dues of \$7 per person for 2025 can be paid at any meeting.

It's Kentucky Derby time! Put on your Derby hat, listen for the bugle's "first call" and join us to watch our very own thoroughbreds race to the finish line. Granted, some of our colts and fillies are a wee bit over the 3 year age limit, but we wager you'll still enjoy cheering them on following the LVW Golf and Social Club's May meeting. The meeting is scheduled for 7 p.m. on Wednesday, May 14, in Willow Hall. Of course, refreshments will be served! Bring your own mint julep, Kentucky bourbon, or beverage of choice. New members are welcome to enroll prior to the meeting.

We hope you are in the "swing of things" for these upcoming May golf events:

Outside Golf: Open to all members and guests (if tee spots are available).

- Thursday, May 15, at Cedar Creek in Bayville (\$45). The first tee time is 8:45 a.m. Player signups will be held in the lobby of Willow Hall on Thursday, May 1 at 9 a.m.
- Wednesday, May 28, at Golden Pheasant in Lumberton (\$59). The first tee time is 9 a.m. Player signups will be in the lobby of Willow Hall on Friday, May 16, at 9 a.m.

Course fees cover 18 holes of golf with a cart. Personal checks (payable to "LVW Golf Club") are due at signup. Anyone who misses signup will have a deadline of the following Wednesday to place their check and name(s) in the Golf Club mailbox at Willow Hall in a closed envelope addressed to Mike Mercer.

Inside Golf: Open to all Plus Golf members. Shotgun starts will be at 9 a.m. Women's Inside Golf tournaments are scheduled for Thursday, May 8, at the Pines ("2 Blind Holes") and Thursday, May 22, at the Willows ("Low Net"). Mark your calendars now for Thursday, June 12. Our "first ever" 9/18 hole golf outing will be at Forge Pond in Brick. Fees (\$25/\$35 includes cart) will be paid directly to Forge Pond. The first tee time is 9 a.m.

The Women's Inside Golf's "Ladies Luncheon" will be at the Clarion on Tuesday, June 17 at 12 noon. This event never disappoints. Expect great food and gorgeous baskets!!

Stained Glass Group

By Pam Hutchinson

“Stained glass fan lamps, also known as Tiffany lamps, gained popularity in the late 1890s and early 1900s by Louis Comfort Tiffany, who was credited for their creation and iconic designs, particularly those inspired by nature and the Art Nouveau style.”

Featured by our Stained Glass studio, below are a couple of modern day fan lamps that are also inspired by nature and exhibiting further proof of their timelessness. Laura Broking designed the gorgeous Caribbean Sea blue shell lamp and Pam Hutchinson designed the white iridescent poinsettia flower. These lights add a beautiful ambiance and accent to any room.

I would like to extend my apologies for the delayed recognition of this event that took place in February....

Carnival Grande Notte

The third annual Carnival celebration was held at the Club's February meeting. It was tremendously enjoyed by all and will be repeated next year.

During the celebration, Americo Guerriero was crowned King, and Dorothy Guerriero was crowned Queen. The couple took their royal walk as they blessed the members for a prosperous and healthy year ahead with their scepters to the music, "Fanfare Royale."

In the tradition of Mardi Gras, a plastic baby is put into a piece of cake, called the King cake, where the one who receives the baby will receive "Blessings for a good life in the year ahead of them," and will be crowned next year. Next year's Carnival Queen will be Jean Hunt.

People welcomed the event, and many wore masks and beads. They danced all night to a great selection of music by our wonderful entertainer, Lou Abbato.

We would like to recognize and thank all the mothers this Mother's Day.

The General Member's Meeting is on Monday, May 19, located in Club Encore.

***All members in good standing and new residents who would like to join our Club

(\$10 per person - annual dues) are Welcome to our May meeting. The meeting begins at approximately 7:05 p.m. Doors open at 6:30 for check-in and registration.

5. A member must be in good standing to either run for or be elected to the Board of Trustees. In addition, any unit owner or person granted the right to cast a proxy vote on behalf of the unit owner must be in good standing to cast a vote.
6. A member shall be in good standing if, and only if, he or she is current in payment of all assessments, fees, and charges; is compliant with a judgment for assessments, fees and charges; is fully compliant with a settlement agreement for assessments, fees and charges; or has requested or is participating in ADR or a court proceeding for a dispute over the matter affecting the owner's good standing.
7. At least 30 days before the annual meeting, the Administrative Staff will assist the Election Committee in notifying any member who is not in good standing and include an explanation of why the member is not in good standing. The notice shall state that the resident has the right to contest the determination of good standing via ADR. The members shall be allowed to rectify their standing up until five business days before the election date.

Candidacy

8. All unit owners of the Association have the right to nominate themselves or other Association members in good standing for candidacy to serve on the Board.

Call for Nominations

9. On the first business day in June, the Administrative Staff will assist the Election Committee in sending the first "Call for Nominations" letter, via U.S. Mail, to all members and those with voting rights announcing a call for nominations for the trustee position. Members are advised that they may nominate another member or self-nominate by submitting a document with the printed name, unit address, and phone number of the nominee and, if not a self-nomination, the name, unit address, and phone number of the member making the nomination along with a letter accepting the nomination from the nominee. The announcement shall also contain the following:
 - a. The Annual Meeting date and time;
 - b. A listing of terms available to hold office;
 - c. An invitation to the Candidates' Forum shall be held annually on the third Friday in July;
 - d. Notification that nominees may provide a brief one-page profile and include one photo which will be available in a special bulletin mailed to all members.
10. Nominations must be submitted to the Board Secretary and the Election Committee Chair via designated site(s) no later than 4:00 p.m. of the first business day in July. If not self-nominated, a letter accepting the nomination must also be submitted.

Good Standing Status

11. The administrative staff will assist the Election Committee Chair in verifying the good standing status of all nominees with the accounting department.
12. Nominee(s) not in good standing will be advised by the Election Chair no later than the nomination deadline that they are not in good standing. The administrative staff will assist the election chair by sending a notice that includes an explanation of why the member is not in good standing. The notice shall state that the nominee has the right to contest the determination of good standing via ADR. The nominee shall be allowed to rectify their standing up until five business days before the election date.

Nominated Candidates

13. The Administrative Staff will assist the Election Committee in notifying the membership of candidates in good standing via LVWA media. Notices will be listed in alphabetical order by last name as they are received. After such posting, nominees may begin campaign activities. No further updates will be made after the nomination deadline date or after the final slate is posted.
14. The Election Committee shall secure and provide equal space for candidates to place their campaign materials in each recreation hall.
15. Candidates shall have equal opportunity to participate in one (1), twenty (20) minute, unmoderated televised event to be made available starting in alphabetical order by last name after the nomination deadline date and all participating candidate's statements have been recorded.
16. The Election Committee shall preside over the preparation of ballots for mailing. Candidates' names will be printed in alphabetical order by last name on the ballot, using the same font, size, and color, and shall not indicate which candidates are incumbent board members. The ballot shall contain one write-in line for each open seat, allowing members to vote for write-in candidates. The ballot package will include the ballot, a preaddressed, stamped return envelope addressed to an address as determined by the Election Committee; and notification that unit owners may revoke voting-eligible tenant proxies up until the last call for votes at the Annual Meeting stating that "The use of the proxy is voluntary on the part of the granting owner. The proxy may be revoked at any time before the proxy holder casts a vote", as well as a clear statement of the Date of Annual Meeting.
17. The Election Committee shall arrange the Candidates' Forum to be held annually on the third Friday in July and moderated by an independent non-member moderator such as an attorney or former judge. The Election Committee shall coordinate the event with the in-house TV Crew regarding the schedule. During odd years, the forum will be held at night, and during even years, it will be held during the day.

18. The Election Committee shall supervise mailing the proxies and absentee ballots to all members and voting eligible tenants no later than the Friday following the Candidates' Forum and shall produce a written affirmation to serve as proof of mailing to be read at the Annual Meeting.

Voting

19. All ballots shall be cast anonymously. Voting members in good standing should complete the ballot by selecting their choices. Once completed, return it by U.S. mail in the provided pre-addressed, stamped envelope before the annual meeting. A ballot box located at the Association Office shall be made available during business hours. Members may deliver a ballot in person at the Annual Meeting at the time and place announced for that purpose. Alternatively, the Election Committee may ask the Board to authorize the hiring of a third party to facilitate the election process. The Election Committee Chair shall ask administrative staff to prepare this listing, which shall be used as the Poll Book.
20. Voting members in good standing who opt to vote in person may do so at a designated polling place and time to be determined, as well as at the Annual Meeting when indicated by the presiding trustee official. Any member wishing to vote must provide proper ID with name and unit address and sign the Poll Book.
21. From the first ballots received until the Annual Meeting, the Election Committee shall indicate in the Poll Book that a ballot has been received from a unit. The unopened, validated ballots shall be locked in a fireproof cabinet in street and unit order until the Annual Meeting.
22. The Election Committee shall produce all ballots and Poll Book at the Annual Meeting for final votes to be received.

Annual Meeting

23. The Annual Meeting shall be called to order and presided over by the highest-ranking disinterested trustee officer at the time of the Annual Meeting.
24. The Election Chair shall read into the minutes of the Annual Meeting the statement of verification of ballot mailing.
25. The Officer chairing the meeting shall make a final call for votes and any revocation of proxies.
26. The Election Chair shall certify that a quorum has been reached. If a quorum cannot be certified, the Chair of the Annual Meeting shall accept a motion to adjourn the meeting for 30 days.
28. If a quorum has been met, the meeting shall be suspended, and the Election Committee shall commence the voting process by opening envelopes containing the ballots and separating the ballots into stacks of fifty (50).
29. The Election Committee inspectors shall start tabulating the votes in public and continue until all votes are counted and tabulated. Members may stay and observe the process but may not interfere with the count. Candidates who receive the highest number of votes shall fill the longest terms available.
30. Once the count is complete, the Chair of the Election Committee shall notify the chair of the Annual Meeting to reconvene and call the meeting back to order.
31. The Election Committee shall certify the final count and announce the results.
32. After the election, the Election Committee shall secure all ballots for two years.

Challenges

33. Challenges are not limited to solely a recount and may be filed for any one of several reasons which are not foreseeable; for example, but not limited to the following: errors in the vote counting process, votes were fraudulently cast, candidates' edibility to be elected, and voter intimidation. Challenges must be submitted within seventeen (17) calendar days following the certification of the election. The challenger must send written notification to the Election Committee Chair at 959 Buckingham Drive, Manchester, NJ 08759, outlining the nature of the challenge. The Election Chair shall notify the Board and Administrative staff of the Challenge. If needed, the Election Chair will seek advice from the Board Attorney as to how to proceed and whether the challenge has a legal basis. Every effort should be made to resolve any challenge as soon as possible. If applicable and subject to the rules governing the handling of privacy matters, separate and special notices may be furnished to any affected candidate. The Election Committee Chair shall contact the candidate submitting the challenge within two (2)

business days of receipt of the challenge notice to discuss a mutually convenient date and time to discuss resolution. Meetings will take place at the Association office. If the challenge involves a recount, the challenging candidate will be limited to no more than three people, including the candidate to be present. In addition, non-challenging candidates may also attend. Representative(s) from the Election Committee will be present in the room, especially if the challenge involves a recount. A worksheet (sample attached as Appendix A) will be completed to maintain the integrity of the ballots. During a recount, members of the Election Committee will not offer any opinions to the challenger as to how a ballot was adjudicated during the Annual Meeting. Suppose the challenger indicates they continue to be aggrieved by the election results. In that case, the challenger must seek legal remedies with the appropriate courts in the State of New Jersey no later than 30 calendar days from the announcement of the results of the challenge at a public Board meeting.

34. Notwithstanding any of the above, the Election Committee and the Association may exercise all rights and remedies available by law, in equity, or pursuant to the Governing Documents.
35. Should any provision of this Resolution be deemed invalid, the remaining provisions shall remain in full force and effect.
36. Any provision contained within any previously adopted resolution of the Association that conflicts with any provisions set forth herein shall be deemed void, and this Resolution shall govern.

May flowers! Our Village is a delight to our eyes. The flowering trees and bushes are a delight; such an invitation to be outside, walking, sitting or just driving. It was a long, cold winter. Not much snow but a lot of bitter cold. Our members did enjoy getaway trips to warm weather. Please mark your calendars! More information will follow.

- July 31 Annual picnic at the Club Encore patio. Members only. 12 to 4 p.m.
- Dec. 15 Holiday Party at the Clarion Hotel. 12 to 4 p.m.

We are grateful for the enthusiasm and participation from our members, which make these events so special. We encourage everyone to mark their calendars and join us for the upcoming celebrations. The annual picnic at the Club Encore patio promises to be an enjoyable outdoor gathering, while the Holiday Party at the Clarion Hotel will provide a festive end to the year with good food, music, and camaraderie.

At our March meeting, our Travel Agent, Lisa Donini, reminded us of some valuable information – remember to get your new I.D. driver's license. It will soon be necessary on even domestic trips. And use ETIAS, European Travel Information and Authorization System when traveling to Europe for the most up-to-date requirements.

If you have any questions regarding our trips or need assistance with travel planning, feel free to reach out to Lisa, who has been instrumental in organizing our trips and ensuring we have all the necessary information. Her expertise and dedication are invaluable to our Club.

Additionally, we welcome any suggestions for new destinations or activities that you would like to see included in our itinerary. Your input helps us create an engaging and enjoyable experience for everyone.

Our Club thrives on the participation and enthusiasm of its members, and we look forward to seeing you at our next meeting. Let's continue to explore the world together and create lasting memories.

Come to our Travel Club meeting on the second Thursday of every month at 2 p.m. in Willow Hall. Dues are \$5 per calendar year.

Look for our trip flyers in the Willow Hall clubhouse. Hope to see you at our next meeting!

Lessons Taught by Eagles

Over the past five years, I have had the privilege of monitoring a local nest of Bald Eagles. These majestic birds of prey live on the campus of Georgian Court University and so we've named them after George and Edith Gould, the original owners of the estate. Please allow me to share some of what I've learned as I have observed them over the years.

First, these birds have grit. The first year, George went missing midway through the nesting season. Edith did all the work of raising their eaglet herself. Delivering all that food to a hungry nestling is no easy task but she did manage to fledge her baby. And where was George? He wasn't taking it easy. As it turns out, he was recuperating from serious injuries he sustained while protecting the pair's territory. He spent time in rehab and was back at it the following year.

George and Edith also do things on their own schedule. In mid-March, when many pairs of eagles have young in their nest, this pair is just starting the incubation process. The eaglets don't typically fledge until the sweltering heat of July.

Most importantly, I have learned the power of caring for the environment. As a nest monitor, I have had a front-row seat in the continuing story of the Bald Eagle's recovery as a threatened species. George and Edith are one of approximately 250 pairs now nesting in New Jersey. This is up from one nesting pair in the early '80s. Their recovery is the result of laws banning certain pesticides, policies protecting the species and recovery efforts by scientists. In short, we have Bald Eagles today because many people cared for our natural world enough to take action. That is a worthy lesson.

The Nature Club will have no meeting in May due to Memorial Day. Our June 23 meeting will feature a program entitled "A Pinelands Primer."

WE WILL HAVE A TABLE IN THE SPRING CRAFT FAIR AT WILLOW HALL – JUNE 10, 3-7 p.m.

Put this on your calendars (paper or digital) so that you don't miss this event! We're joining in the fun that the Irish American Club presents with their well-attended fair. Come see us!

The Merry, Merry Month of May
(Stephen Foster, 1862)
(excerpt)

*We roamed the fields and river sides,
When we were young and gay.
We chased the bees and plucked the flowers,
In the merry, merry month of May.*

The above words from Stephen Foster are an excerpt from an Irish song. It conjures up the memories most of us have when we were much younger and carefree and played outside all day until Mother called our names throughout the neighborhood or we waited until the streetlights lit up at supper time.

Our Village is so pretty in the spring! Take a peek out your window, take a walk, to enjoy the scenes and scents of May.

Show and Tell for this month was made by Joyce Patire (one of the prolific three sisters who make all manner of crafts). Joyce made this colorful floral image from a no-sew Quilt Magic kit that can be purchased at Michaels. It's so pretty!

As always, donations of yarn, crochet hooks and knitting needles are always welcome. Your donations are used to make baby items, lapghans, as well as blankets for the area VFW. Please bring them to our meetings; they are most appreciated.

Meeting times at Leisure Fair: 1 to 3 p.m. Thursdays, May 1 and 15.

If you're back from your winter hibernation, come back to our meetings and bring a friend.

Fishing & Social Club

By Tom Tyls

May has finally arrived. Thank Neptune. A lack of snow and moderate temperatures should make the bays and lake waters warm enough to be worth the effort fishing. Give the sun a chance to warm the water and mud. Afternoon fishing in the lakes and outgoing water in the Manasquan will be the most enjoyable. Not to mention not having to wake up early.

At this time, the stocking of Willow Lake had only been scheduled for late April. With a game plan of stocking with bluegills and minnows to establish a forage base for larger fish, my appreciation goes to those Club members that got their hands dirty distributing bags of fish along the shores of Willow. Their work will benefit all those who fish the lake, especially those that fish during Grandkid's Day in August. Last year, we had some nice fish taken, but I expect better results this year with pictures from my camera-shy friends.

We had our first meeting last month with Barry Paull as guest speaker. As a gentleman, sportsman and an avid enthusiast of the fishing scene, I am sure that he opened eyes on new techniques. Although you can be successful using old tackle and technique, fishing is actually a dynamic sport with equipment and skills constantly evolving. Even fish learn.

Lastly a word of appreciation goes to our Board of Rich, Linda, Lynn and JoAnne, who have been working on this year's agenda, supporting and recognizing our skills and comradery. Thank you.

May is a big fish month. Let's go fishing. Tom

Current Events

By Carol Hartman

Is there anyone in this Village whose life has not been affected by the rapid changes in our government during the first 100 days of this administration? Whether you see the changes as positive or negative, life has been altered drastically for many. How can one better understand the changes? Reach out to friends, relatives and neighbors to ask questions and learn how to navigate the new reality. Remember your core values. In the month of May, 100 days after an inauguration, one would expect to see a new administration settle in to more routine activities. But, as we pass this mark, there is no current indication that

the frenetic changes will slow.

Adapting and navigating requires knowledge. This is a concern of Current Events participants. Frankly, the path is not clear. Trust in media is key, but trust must be verified. One must be open to hearing and reading opposing points of view. That takes time and effort, yet it is so important.

Issues and topics are introduced by Current Events leaders, but the response and direction of conversation is up to the participants. Constructive comments from participants come first. Discussion leaders will try to balance topics between the politics of Washington and other events in the news.

During May, Current Events open group discussions will happen on the first and third Mondays of the month in the A/B Room of Willow Hall from 2-4 p.m. Beyond the meetings, it is hoped that those with lingering questions or concerns, will continue to reach out to those you know and trust, and apply your core values to all situations. Each of us has a responsibility to live our daily lives as best as we can. In the meantime, try this: Go outside to see nature's beauty in the springtime colors, and plant varieties that are all around us. Listen for the natural sounds. Take a deep breath. Absorb it all. Let nature fill your being for it can do wonders for your soul.

Helping Hands

By Karen Marsh

Helping Hands is a dedicated group of resident volunteers eager to share their skills and lend a helping hand. We assist with small tasks around your home that Leisure Village West maintenance does not cover—whether it's programming your TV remote, troubleshooting issues with your computer, smartphone, or printer, or handling other minor jobs, we're here to make your day a little easier.

We also offer the temporary use of mobility aids, including wheelchairs, rollators, walkers, canes, and shower chairs. All equipment is thoroughly cleaned and sanitized before delivery for your safety and peace of mind.

How to Request Assistance

If you need help, simply call **732-657-2842** and leave a voicemail with the following details:

- Your full name
- Address
- Phone number

- A description of the assistance you need

Please speak clearly and slowly when leaving your message, as this is a voicemail service, and we need accurate information to get back to you. When we return your call, our number may not be familiar, so please answer if you can or make sure your voicemail is active and not full so we can leave a message.

Get Involved—Volunteer with Us!

Helping Hands is always looking for new volunteers. Even dedicating just a few hours a week can make a big difference. Many volunteers find that giving back is a rewarding way to connect with others and bring joy to their own lives.

Wishing you a safe, healthy, and enjoyable summer!

Pet Club

By Christina Basile

A Fun Evening with Marth Windisch and her Golden Retrievers

Pet Club Mission Statement: The Leisure Village West Pet Club seeks to provide education and resources for a healthy pet environment, thereby improving the quality of life for both residents and pets of Leisure Village West.

Our March 26 meeting, the Pet Club enjoyed a truly captivating presentation delivered by Martha Windisch, a Personal Dog Trainer. It wasn't just a demonstration; it was an inspiring showcase of the incredible bond between humans and canines. A testament to Martha's incredible training skills.

Martha, along with her trained Golden Retrievers, Dreamt, Sadie and Aida, provided a demonstration class in dog training. She demonstrated her use of food, gestures, words and a clicker to initiate a certain behavior. The session was extremely informative, ranging from the building blocks of obedience training to the more advanced techniques of agility, tracking and scent work. It was an impressive evening. If you are interested in Personal Training for your dog, contact Martha Windisch (609) 726-9054 or text (609) 351-2342.

LVW DANCE CLUB

By Barbara Genovese

Well, it's May and there is one more dance for the season. May's dance will be DJ Johnny. June, once again, will be at the Clarion and the entertainment will be Don Pesce. Remember, the date will be Friday, June 13, 6 – 10 p.m. Flyers will be at Willow Hall and Club Encore within a couple of weeks, along with the May flyers. It has been our pleasure to run these dances over the years; the only thing that keeps us going is the response from all our members and everyone who attends the dances. We do have a few people offering to see what we do to put on these dances, so we will see what happens in the future. As of now, the Dance Club officers remain the same. There are going to be some changes to the Club as far as dates, which we will post when we have our last meeting for the season. Thank you to everyone who attended the dance and became a big part of our Dance Club Family.

REVISED UNIT OWNERS LETTER

TO: All Leisure Village West Unit Owners

RE: Association Insurance Program

POLICY TERM: April 15, 2025 through April 15, 2026

Following is a brief outline of the property insurance carried by your association as written through Philadelphia Indemnity Insurance Company:

In accordance with your association's governing documents, all buildings comprising Leisure Village West Association are insured on an "Original Specifications" basis with a Replacement Cost valuation provision. Put simply, this means that each unit is covered in its entirety in accordance with the builder's original specifications subject to the policy limit (less any applicable deductible). Deductibles are applied on a *per occurrence* basis (currently \$25,000) as well as a \$25,000 "per unit" Ice Damming deductible and a \$25,000 "per unit" Water Damage deductible. Coverage is written on a "Special Perils" basis meaning that all perils are covered except those specifically excluded such as (but not limited to) Flood, Earthquake, Nuclear Accidents, and War. (Additional coverage may have been purchased to delete one or more of these exclusions.) Please be aware that the association documents provide that each owner shall be responsible for the applicable deductible for damage occurring to the interior of their unit. In the event that multiple units are involved or there is damage to both interior and exterior elements, the deductible will be assessed to the affected owner(s) in the proportion that their damage represents to the total loss.

While very broad in scope, the association's master policy is not intended to cover personal property, loss of use (temporary rental assistance), loss assessment, upgrades or improvements made by any unit owners (past or present), or their personal liability. In light of this, it is highly recommended that each owner and/or tenant consult with their insurance professional and provide them with the above information when determining their personal insurance needs. If desired, our office would be pleased to provide you with a competitive quotation. You may reach us by calling (732) 738-5500 or emailing us at info@mitchellinsservices.com.

Finally, please remember that all claims must be promptly reported to the management office.
