UNFINISHED BUSINESS:

1. The entry system for the gates is tabled while the Board still researches this further.
2. A town hall meeting date will be announced at the next open Board meeting regarding proposals for the location of the gym. The Board announced that the Ad Hoc Gym Committee has been suspended until further notice and thanked them for their recommendations.

NEW BUSINESS:

1. The proposed policy regarding privacy was presented to the residents and will be voted on at the next open Board meeting on April 1, 2020.

The next open Board meeting will be held on Wednesday, April 1, 2020 at 1:00 PM in the Willow Hall Auditorium.

There being no further business, the Board meeting adjourned at approximately 2:40 PM.
A brief audience comments period followed the business portion of the open Board meeting at 2:40 PM with residents raising questions or concerns or seeking clarification about a variety of issues.

M.L. Doner stated she received an email notifying her that the ENC Committee has dissolved and was disappointed that the Board did not thank them at the open Board meeting.

Response: The Board will be providing the core group with a luncheon and thanks them for developing the Committee and volunteering their time.

T. Gnizdowski spoke about the Manager’s Corner article that was published in the March magazine that refers to the Clubs in the Village interfering with the Recreation Department in regards to the finances and entertainment. He spoke how this would impact the Club he is involved in.

Response: The Recreation Department faces stiff competition from Clubs and Groups, which has eroded Recreation revenues, making it difficult to match the related expenses of running the department. The strain on the Recreation Department’s budget has prompted the Board to look for other ways to help defray the costs. The Board is continuing to discuss this and is encouraging residents’ input.

D. Tkaczuk stated that if a Club uses music, they should be donating towards the music license. She spoke about the discount that Viking Pest Control offers to residents. She also read a statement on behalf of the Golf Club.

J. Ercolino spoke about the Recreation Department. He also mentioned that the plastic container used by the volunteers at the recycling trailer has been removed since residents are using it to dump trash and pet waste. He asked that the Board develop a policy regarding how lawns are treated chemically.

M. Kavazanjian asked for an update on the one-call that was placed regarding suspicious activity in an area of the Village.

Response: A resident reported a suspicious person near their unit and when police arrived the person had already left. Nothing was found.

M. L. Ruggiero asked if the board is considering using the ping pong room in Leisure Fair as part of the gym relocation.

Response: More information will be provided when the town hall takes place regarding the proposals for the possible gym relocation.

E. Berardis stated that the Manager’s Corner article placed in the March magazine was pre-mature and asked for confirmation that it has not been settled. She suggested that if any residents have any new ideas for Recreation activities, they may be sent to the Recreation Director or the Community Services Committee so that the new activities being proposed can be explored.

Response: The article is just being discussed; no decision has been made.
J. Laudicino asked if it will only be Clubs that are charged to use the rooms in the Clubhouses and not Groups.
Response: Nothing has been decided and the Board is still reviewing.

M. Crujeiras asked for clarification regarding charging Clubs.
Response: This will be debated in the future for how it's handled.

J. Langreich suggested charging a $1.00 for the monthly movie.
Response: This will be considered by the Board.

B. Horn asked where the SREC’s money earned from the Solar is going. He asked why solar is not permitted on the roofs. He spoke about the Verizon costs for other services than bulk service.
Response: The money made from the Solar which is the SREC’s being sold is paid towards the annual lease of the Solar and the remaining electric charged on those buildings. LVW does not allow solar on the roofs because they are maintained and replaced by the Association.

There being no further comments or questions, the meeting ended at approximately 3:29 PM.

Doing The Right Thing

Thanks to everyone who is doing the right thing and distancing yourselves from others. Doing so helps protect the wellbeing of all residents as well as your own. I know we’re all getting a little stir-crazy, and the allure of spring is taunting us to resume our outdoor activities, but we must remain committed, avoiding contact with others while we wait for some medical breakthroughs. Thanks again, stay safe and well.

Do You Hear The Call?

If you don’t hear it now, you will soon! I’m talking about the call for nominations, of course. Yes, it’s challenging times, but times like this, we need your help in maintaining leadership, keeping this diverse community thriving. There’s a potential of having three vacancies on the Board this year, so now more than ever, we need residents to step forward. Any owner, with the newly revised position of “in good standing,” can nominate themselves or be nominated to run for office without any other constraint.

Elections this year will be a challenge, to say the least. For the ballots, we’re probably going to conduct elections solely through the mail without the use of machines this year. Candidates will have our new magazine for their resumes, but the Candidates Forum and meet and greets may be done via Zoom or other conferencing software. These forums will be broadcast live over our community channels with the ability to receive questions from write-ins, via email or perhaps even a chat program.

The timeline, primarily driven by our election policy influenced by the Radburn law, will all start with the call for nominations. We may not be meeting in large groups by August, so we’ll need everyone to vote via mail and to do so early. We’ll need to leave little doubt about making quorum well in advance of the Annual Meeting date to ensure all vacant offices are filled to conduct the Associations business.

Below is an abridged outline for elections; however, please note the exact nuances of some of the functions have yet to be determined. More information will follow in the next issue and is where you’ll first see the call for nominations kicking off the election.

• Courtesy Nomination Form and Call for Nominations letter will be mailed on the first business day of June, this year that’s June 1st.
• July 1st, 2020 - Nominations close.
• July 2nd, 2020 - Candidates orientation.
• July 22nd, 2020 Candidate Meet & Greet.
• August 7th, 2020 Candidate Forum.
• August 11th, 2020 - Second Candidate Meet & Greet.
• August 28th, 2020 -Anonymous paper ballots will be accepted at the Association Office
• August 31st, 2020 - ELECTION DAY, AKA Annual Meeting of the Members where a quorum must be reached.

We would like to thank Fay Weinstein for her kindness and generosity. She volunteered to make a mask for any resident that needed one in the village. Fay spent all week and made close to two hundred masks. Many residents volunteered to drive all over the village to hand deliver whatever she made for that day. What she did was a blessing. Her kindness brought everyone out as drivers and brought the community together as a team. We can never repay what it meant to receive these masks. Thank you Fay for going above and beyond to help our community!

Although we are experiencing very troublesome times, we find encouragement in spring’s fragrant blossoms and songbirds that continue to serenade us, as we welcome the beautiful month of May. We celebrate the love and joy of motherhood, and we memorialize fallen veterans with red poppies.

We are a strong, resilient and compassionate country and continue to prove why we are the greatest nation in the world. Leisure Village West is a close knit community, with a long history of caring residents who support each other in good times and bad.

We wish a Happy Mother’s Day to all our Village moms.

As I write this month’s article, it is difficult to predict what activities may return as scheduled. When possible, club meetings will return to their normally scheduled dates. The Recreation Department will update residents via the creeper and lvwcreeper.com with regard to all activities.

Our Recreation Department trips will be rescheduled to the best of our ability. The Annual Club President’s Meeting and Club Day will be rescheduled as time and space permits.

I am hopeful we will be able to honor our fallen heroes at the Memorial Day Ceremony on May 25, however nothing is certain at this writing.

We look forward to the opening of our pools, but again the opening date will be announced dependent on the pandemic guidelines.

The Recreation Department awaits the return of bustling clubhouses filled with activity and our staff looks forward to the warm greetings of our residents.

Who Are These People, Anyway?

By Jan Stubbs

Who are these people, anyway
Who when all of the rest run away?
Who runs into the fray and take up their arms
And use their skills to keep us from harm
Perchance to lose their lives along the way.
Who are these people, anyway?

The men and women who fought bravely
In a Revolution that gives us today our Liberty,
And those who took up arms in an unCivil fight
To keep this Nation together, strong and tight.
And again who took up arms in 1898
And laid down their lives in a war not so great.

Those who fought in the last century, World Wars I and II,
And Korea, Vietnam, Desert actions, and skirmishes few.
And continue to perish, keeping us safe and free,
To choose the paths of our destinies.
There are others, of course, who are heroes today,
But, who are these people, anyway?

They are doctors and nurses and EMT’s,
Ambulance drivers, hospital staff, and these:
Fire and Police and First responders of all descriptions
And Pharmacists, still on the job to fill our prescriptions.
Mail Carriers, Trash Collectors, Newspaper Deliverers, too,
Who are there like clockwork to bring (and take away) the world to you.

The small business food people and grocery stores galore
Who is trying to keep us in food, paper products, and more?
The other order delivery and gas station folks are working steadily,
And those who make sure our poor hungry get fed readily
And for those who were left out of this poor doggerel, please know,
I apologize, thank you as well, and pray for you everywhere you go.

Who are these people, anyway?
They are Us at our finest—always and today.

Volunteers in Service
to Our Neighbors

By Kathy Maiocco

WE ARE STILL HERE FOR YOU
VOLUNTEERS NEEDED FOR EMERGENCY SHOPPING TRIPS!

We are seeking volunteers to do some light emergency shopping for residents that cannot go out or can’t wait for a delivery for some emergent food and household items during these times of crises and uncertainty. If you are able-bodied and not immunocompromised, it would be most appreciated if you can help those less fortunate during this time of dire need.

Thus far, we have seen many people in the community come together to check on friends and neighbors while adhering to the distancing regulations set forth. While we are still permitted to travel to do shopping for our basic needs, there are some residents that cannot.

We are urgently requesting you contact the VISTON office via telephone 732-657-1818 (which is being answered remotely) to volunteer for this immediate and much needed service.

Please consider giving any time you can give to be called upon to shop on an emergency basis only.

In addition, our chairperson, Joanne Gentilella, is working hard behind the scenes with other entities to assist with as much as possible. She has been in contact with Baylea Dairy that delivers food staples such as milk, meats, bread, etc. for a small fee of $2.00 per month on a weekly or bi-weekly basis. Once a resident receives their first order, they will then receive a listing of all items that the dairy sells. The Dairy is open M-F from 8 am to 4 pm and their phone number is 732-349-7051.

Please note: Many of the medical offices are now using telemedicine for non-emergentdoctor appointments and VISTON highly recommends you take advantage of this service from your providers.

Thank you for your support. Stay well. Be Safe. Practice Social Distancing!

KEEP CALM AND STAY CONNECTED

Jewish Family and Children's Services of Ocean County has been going virtual to respond best to needs during this time of Corona Virus. Those suffering from anxiety or in need of counseling can take advantage of video or phone sessions with a licensed social worker.

"Anxiety and other mental health issues can become magnified during this crisis, especially as people stay indoors in very close quarters – or alone," said Rita Sason, Director of Jewish Family & Children's Services. Rita offers these tips to stay calm and collected during stressful times:

- **Don't isolate yourself.** In these days of self-distancing and staying at home, it is easy to feel alone and isolated. Because older adults can be more vulnerable to COVID-19, even close family are keeping their distance – out of the best of intentions.
  - Remember there are people who care about you – just from afar.
  - The phone (and facetime) work two-ways. Reach out first to family and friends. Go through your phone book and call friends and family you may not have been in touch with recently. Odds are, they will be thrilled to hear from you!
  - Pick a book (such as from PJ Library) and read together with a grandchild...or a great-grandchild.

- **Similarly: If you know someone stuck at home, reach out.** Call. Send a text, an email, or try facetimeing. Or go "old school" and send an actual card. You don't know how much this will be appreciated. Children, grandchildren – Call your parents and grandparents. Repeat often.

- **Stick to a schedule.** If your calendar of events has been cancelled, make sure to create new opportunities each day – including getting up at a set time and getting dressed, and scheduling specific appointments throughout the day. Set times to speak with friends and family by phone or facetime to talk. Schedule – and stick to – a set time to go for a walk in your neighborhood. Enjoy the sunlight – just be sure to stay 6 feet away from others when doing so!

  **Focus on things that make you happy.** This could be wearing clothes or jewelry that have positive associations, getting to those projects you've been putting off for a while (reading that book you bought, or doing a puzzle you set aside), or catching up with some good programs or series that caught your eye.

- **STOP WATCHING THE NEWS.** Seriously. If you wish to stay informed, set aside one or two times to watch or listen to the news in a specific time slot. But don't watch or listen to the
news all day, whether CNN, CNBC, or FOX. You are not going to miss anything, and you can catch up later. This, more than most other things, can lower your stress level.

The good news is that, today, there are many tools and technology innovations that can help everybody to stay connected to others and find ways to grow and have fun personally. If you haven't done facetime or ZOOM before, or you haven't set up your smart TV...now is the time to do so. And, if you don't know where to start – that's another great opportunity to connect with a grandchild that can help (over the phone, of course).

"Life is 10% what happens to you and 90% how you react." Charles R Swindoll

"Don't separate yourself from the community." Hillel

Should you or others be dealing with chronic anxiety or other issues, there are resources to help. Contact Rita at JFCS@ocjf.org or 732-363-8101 to set up a virtual or remote consultation or counseling session.

Copycat Fried Chicken Sandwich

From allrecipes.com

Ingredients:
Marinade:
1 cup buttermilk
2 teaspoons kosher salt
1 dash hot sauce, or to taste
1 tablespoon dry ranch dressing mix (such as Hidden Valley Ranch®)
4 (5 ounce) skinless, boneless chicken breast halves

Breading:
1 1/3 cups all-purpose flour
2 tablespoons cornstarch
2 teaspoons kosher salt
1/2 teaspoon freshly ground black pepper
1 1/2 teaspoons cayenne pepper (optional)
1 tablespoon dry ranch dressing mix (such as Hidden Valley Ranch®)

Wash: 1 large egg, beaten
1/2 cup buttermilk
1/4 cup milk

The Rest:
canola oil for frying
4 soft hamburger buns, toasted and buttered
6 tablespoons mayonnaise, or to taste
2 dill pickle slices, or to taste

Directions:
Whisk buttermilk, salt, hot sauce, and ranch dressing mix together in a large bowl. Cut diagonal slits into the thick ends of chicken breasts and toss into marinade until well coated. Transfer to the refrigerator to marinate for 2 to 4 hours.

Meanwhile, make the breading: Mix flour, cornstarch, salt, pepper, cayenne, and ranch dressing mix together in a shallow dish.

Make the wash: Whisk egg, buttermilk, and milk together in another bowl until combined.

Use a fork to pull chicken from marinade, letting any excess drip off. Dip into the breading to coat both sides; shake off any excess. Dip into egg wash mixture to saturate surface; return to breading to coat, shake off excess, and repeat once more. Let sit on a wire rack to dry, at least 15 minutes.

Heat oil in a deep-fryer to between 350 degrees F (175 degrees C) and 375 degrees F (190 degrees C).

Fry chicken breasts in the hot oil until golden, crispy, and no longer pink in the centers, 4 to 5 minutes, flipping halfway through. Transfer to a plate topped with crinkled up aluminum foil to prevent bottoms from getting soggy.

Spread mayonnaise over hamburger bun halves. Stuff with pickles and chicken.

Whole Wheat Beer Bread

From allrecipes.com

Ingredients
1 1/2 cups all-purpose flour
1 1/2 cups whole wheat flour
4 1/2 teaspoons baking powder
1 1/2 teaspoons salt
1/3 cup packed brown sugar
1 (12 fluid ounce) can or bottle beer

Directions
Preheat oven to 350 degrees F (175 degrees C). Lightly grease a 9x5 inch loaf pan.

In a large mixing bowl, combine all-purpose flour, whole wheat flour, baking powder, salt and brown sugar. Pour in beer, stir until a stiff batter is formed. It may be necessary to mix dough with your hands. Scrape dough into prepared loaf pan.

Bake in preheated oven for 50 to 60 minutes, until a toothpick inserted into center of the loaf comes out clean.
**Home Made Top Tarts!**

*From allrecipes.com*

**Ingredients:**
1 (15 ounce) package refrigerated pie crusts
¼ cup strawberry jam, divided
2 cups confectioners’ sugar
2 tablespoons milk
½ teaspoon vanilla extract
1 tablespoon colored decorating sugar, or as needed

**Directions:**
Preheat oven to 425 degrees F (220 degrees C). Line baking sheets with parchment paper.

Unroll the pie crusts, place on a lightly floured work surface, and roll the crusts slightly with a rolling pin to square the edges. Cut each crust into 8 equal-sized rectangles. Place about 2 teaspoons of strawberry jam in the center of 8 squares, and spread the jam out to within 1/4 inch of the edge of the pastry square. Top each with another pastry square, and use a fork to crimp the squares together, sealing in the jam. Use a knife to trim the pastries, if desired. Move the filled pastries to the prepared baking sheets.

Bake in the preheated oven until the edges are lightly golden brown, about 7 minutes. Allow to cool on the baking sheets. Meanwhile, stir together the confectioners’ sugar, milk, and vanilla extract in a bowl to make a spreadable frosting. Spread the cooled tarts with frosting and sprinkle with colored sugar.

**Crispy and Creamy Doughnuts**

*From allrecipes.com*

**Ingredients:**
2 (.25 ounce) envelopes active dry yeast
1/4 cup warm water (105 to 115 degrees)
1 1/2 cups lukewarm milk
1/2 cup white sugar
1 teaspoon salt
2 eggs
1/3 cup shortening
5 cups all-purpose flour
1 quart vegetable oil for frying
1/3 cup butter
2 cups confectioners’ sugar
1 1/2 teaspoons vanilla
4 tablespoons hot water or as needed

**Directions:**
Sprinkle the yeast over the warm water, and let stand for 5 minutes, or until foamy.

In a large bowl, mix together the yeast mixture, milk, sugar, salt, eggs, shortening, and 2 cups of the flour. Mix for a few minutes at low speed, or stirring with a wooden spoon. Beat in remaining flour 1/2 cup at a time, until the dough no longer sticks to the bowl. Knead for about 5 minutes, or until smooth and elastic. Place the dough into a greased bowl, and cover. Set in a warm place to rise until double. Dough is ready if you touch it, and the indentation remains.

Turn the dough out onto a floured surface, and gently roll out to 1/2 inch thickness. Cut with a floured doughnut cutter. Let doughnuts sit out to rise again until double. Cover loosely with a cloth.

Melt butter in a saucepan over medium heat. Stir in confectioners’ sugar and vanilla until smooth. Remove from heat, and stir in hot water one tablespoon at a time until the icing is somewhat thin, but not watery. Set aside.

Heat oil in a deep-fryer or large heavy skillet to 350 degrees F (175 degrees C). Slide doughnuts into the hot oil using a wide spatula. Turn doughnuts over as they rise to the surface. Fry doughnuts on each side until golden brown. Remove from hot oil, to drain on a wire rack. Dip doughnuts into the glaze while still hot, and set onto wire racks to drain off excess. Keep a cookie sheet or tray under racks for easier clean up.

With the recent virus pandemic, most of us are at home trying to keep ourselves busy and keep our sanity. Now is a good time to do some photography while practicing social distancing. It’s spring and mother nature supplies us with a lot of material.

There is an abundance of flowering trees and flowers. Use a small aperture (F11 or higher) if you want most of the image in focus or a smaller aperture (F4 or less) if you want to blur the background to make a flower stand out like a portrait.

You can also try some still life photography around the house. Again use depth of field to control how much of the image is in focus. A tripod is handy for those close up shots. Don’t forget the sunrise and sunset images as well.

That’s it for this month. Send me an email at bill@kirmsphotography.com with any photographic questions. Visit my web site www.kirmsphotography.com if you’d like to see more of my images. Keep shooting and trying to improve your images, but always have fun with your camera.
