COMMUNITY MANAGER REPORT: (J. Schultz/ J. Snyder)
J. Schultz reported that it was recently discovered that Non-Residents were invited by residents to attend activities such as Line Dance and Sticks Alive. As a reminder, Non-Residents are not permitted to attend any Club, Group or Activity and are only permitted to attend a Special Event or Fund Raiser when an admission fee is charged or a donation is requested. The gym renovation discussion started on or about October 3, 2018, an Ad Hoc Committee was formed shortly after to review expansion possibilities. Exploring the current equipment and making any recommendations for replacement or additions was also researched. As for the expansion, the Committee contemplated several expansion possibilities within Club Encore, including expansion to the music room or the billiards room and the smaller craft court hallway. This approach offered the largest possible expansion within Club Encore. This option would return the gym to where the developer originally designated it to be, adjoining the bathrooms and

lockers. After much discussion and deliberation about the relocation of the gym to other community buildings and with input from the Ad Hoc Committee through the Trustee Liaison a significant majority of the Board consented to focus the gym expansion to Club Encore. The Ad Hoc Committee then turned their focus to the equipment and after much investigation established the appropriate equipment needing replacement and the addition of equipment that was lacking for today’s fitness focus act of adult. However, the Ad Hoc Committee saw the need to replace some of the equipment immediately to overcome the ever-growing list of equipment breaking down and elevate the shortage of most widely used cardio equipment, which was done. As things progressed from there, the expansion presented some structural modifications necessitating an engineering study to allow for the more open concept. The engineering study revealed a slightly more extensive structural modification needed. Currently, we are waiting the cost estimates on the structural modification to give the Board the final analysis. Residents may have heard about other concepts resurfacing including the idea of repurposing the main room of Leisure Fair to a fitness center, but none of these concepts currently have the full backing of the Board as of yet and this remains unsupported by the Ad Hoc Committee.

The ADA automatic door opener for the interior front door at Leisure Fair is in need of replacement. It was diagnosed by outside vendors as well as house staff. The motherboard and motor have failed and the gears are worn. It has been determined the cost of repair would exceed replacing the entire unit. Bids were received as follows:

S. Tozzi moved to contract with Control Systems to replace the ADA motorized door actuator at the Leisure Fair main entrance/interior door for a total cost of $2,239.12. The funds to meet this expense will be provided by account #3150 – Property Fund/Replacement. C. Lupo seconded. All in favor. Motion carried.

J. Snyder, Service Manager reminded residents not to use plastic bags when placing their recyclables at the curb. Manchester Township will not pick up recycling unless it is in a reusable container. The 2020 siding painting season is approaching and he is requesting funding in the amount of $25,693.54 to paint the siding in condos 91. This expense will be provided by account # 3000 – Deferred Maintenance/Siding Painting. The Board will vote on this at the next open Board meeting on March 4, 2020. He is also requesting the approval of the 2020 Driveway Replacement Schedule which consist of 27 cement driveways to be replaced in-house. The funding to complete this will be provided by account # 3275 Capital Replacement/Concrete Driveways for a total cost of $34,431.80. The Board will vote on this at the next open Board meeting on March 4, 2020. The first half of the mower fleet is due for replacement. The original plan would be to replace seven of our Ex-Mark Navigators and trade-in the old ones. This season they would like to purchase five of the 48-inch deck Ex-Mark Navigators which will be converted to mulching mowers in the summer months. They would also like to purchase two 60-inch E-Mark mulching mowers to increase productivity. This could be utilized during leaf clean up. The following bids have been received:

It is their recommendation to purchase (5) Ex-Mark Navigator 48-inch mowers, trade-in (7) Ex-Mark Navigator mowers and purchase (2) 60-inch Ex-Mark mulching mowers from Lakehurst Hardware & Lawnmower for a total cost of $85,944.01. UNFINISHED BUSINESS:
The costs to install entry door access controls for Willow Hall, Leisure Fair and Club Encore have been researched. This would consist of installing card swipe readers, maglocks and security cameras at all main entry doors, required connections to our fire panels and all required connections for public and fire safety compliance. Management went out to bid for materials and installation of the maglocks and fire safety. They also received quotes for the materials only for the maglocks and fire safety disconnect which are as follows:

<table>
<thead>
<tr>
<th>Maglocks and Fire Connections (All Quotes include tax)</th>

<tr>
<td>Tops Security Locksmith</td>
<td>Install maglocks &amp; fire safety disconnect</td>
</tr>
<tr>
<td>Maglocks.com (in-house)</td>
<td>Supply materials (in-house installation)</td>
</tr>
</tbody>
</table>

After reviewing the quotes on this portion, management feels it is best to install the maglocks and fire safety disconnect in-house.

In addition to the maglocks and fire safety disconnect, the installation would also require door access controllers, card readers, IP cameras, Knox boxes, dedicated electric circuits for battery backups, Manchester Township permits, alarms for emergency exit doors and video door stations. These items would be installed in-house. The costs for materials are as follows:

<table>

</table>

It is the recommendation of management to purchase the maglocks and materials from Maglocks.com for $15,374.62 and perform the installation in-house. It is also the recommendation to purchase and install the card readers, IP cameras, emergency exit alarms, Knox boxes, permits and video door stations from the listed vendors for a cost of $23,099.35. The total cost of the project is $38,473.97 and this expense will be provided by account #3230 – Capital Replacements/Common Buildings. The Board will vote on this at the next open Board meeting on March 4, 2020.

E. Murphy gave an update regarding the Townhall meeting which was held on January 29, 2020 regarding the entry system for gates. The Board is considering all resident input and will discuss at future Board meetings.

As previously reported, the Board asked to review maintenance costs and responsibilities on the subject of repair and maintenance of windows, in particular, glass replacement. In contradiction to the governing documents, the Association has continued to provide maintenance, including replacement of window glass. After much discussion, the Board has agreed to no longer warranty glass; however, the Association will continue to service
components like springs, and other window parts, if available. The Association will honor all glass replacement service requests currently in the system but have suspended taking any new orders. The Association is still seeking a vendor who could continue to replace glass at a reasonable cost for members. The Board will vote on a policy for this at the next open Board meeting on March 4, 2020.

Update regarding NJ Common Interest Ownership Act Bill S2425: The Senate and Assembly could override the veto with a 2/3 approval by both houses, but there is no indication that this will happen. Apparently, the DCA had a representative tell the governor that they had concerns about the bill and, as a result, he did not sign it. The Community Association Institute (CAI) legislative action committee wants to work with the DCA to address their concerns and have the bill modified. If this were to happen, then the process would need to start over again at the beginning- both houses must approve the modified bill, and then it would need to be presented to the governor for signature. While possible, this may not happen anytime soon. So, unless something changes, this bill is dead at this time.

A special meeting regarding the Bylaws Amendment relating to leasing or rental of units will be held on Monday, February 10, 2020 at 10:00 AM in Willow Hall. Ballots must be mailed to 959 Buckingham Drive, Manchester, NJ 08759.

NEW BUSINESS:

The proposed revisions to Specification 1_9, “Condo 96 Pressure Treated Wood Decks, Railings and Privacy Fences” was presented. The Board will vote on this at the next open Board meeting on March 4, 2020.

The proposed Swimming Pool Rules for the 2020 season was presented. The Board will vote on this at the next open Board meeting on March 4, 2020.

A PowerPoint presentation regarding the proposed lawn renovation program was presented. The Board is looking at implementing a lawn renovation program for management to enact. After some research, management feels this could be accomplished by creating a two-year plan, separating the Community into two sections. For the Fall of 2020, effectively the 2021 budget year, they will address the areas North of the bridge, followed by the Fall of 2021 or the 2022 budget year for areas South of the bridge. A portion of the current grounds budget will help offset some of the expense of the program, roughly $20,000; however, the plan will necessitate the addition of approximately $54,095, or $1.67 per month to the 2021 budget for the first fall season. The 2022 budget will need an additional $20,000 or .62 cents per month increase as they move into the area where the high calcium is needed for the clay soil areas. This plan will also require additional equipment such as 2 Aerators, 2 Z-Spray Seeder Spreaders and 1 Turbo Fertilizer Broadcast Spreader for a cost of $55,593.21 which will be funded by account #3151 of the Property Fund. After being reviewed by the Finance Committee it is the recommendation to purchase the additional equipment needed for the lawn renovation program for a total cost of $55,593.21 and to be funded by account #3151-Property Fund. The Board will vote on this at the next open Board meeting on March 4, 2020.

The proposed revisions to the LVW Resolution Relating to Election Procedures was presented. The Board will vote on this at the next open Board meeting on March 4, 2020.

Management has researched the costs to update the desktop computers for the LVWA office staff and guard houses. Management has concluded that the Dell Precision 3431 small form factor workstation with a Core i5 processor and Windows 10 64-bit would be the best fit in both price and performance. It is there recommendation to contract with Dell Computers to purchase 23 Precision 3431 workstations for a cost of $17,458.46. This includes tax and shipping. This expense will be provided by account #3150 – Property Fund/Replacement. The Board will vote on this at the next open Board meeting on March 4, 2020.

F. Weinstein reported that 17 residents have donated towards the current Tree Program. Anyone interested in donating a tree forms are available on www.lvwcreeper.com or at the Association office.

The next open Board meeting will be held on Wednesday, March 4, 2020 at 1:00 PM in the Willow Hall Auditorium. There being no further business, the Board meeting adjourned at approximately 3:18 PM.
Leisure Village West Association February 5, 2020
Audience Comments Willow Hall

A brief audience comments period followed the business portion of the open Board meeting at 3:18 PM with residents raising questions or concerns or seeking clarification about a variety of issues.

P. Burke asked that if the gate system is converted to a cloud system that the call center be made local. She loves the new equipment in the gym. She asked why the ballet bar was moved and if another one can be put back in the original spot.

Response: The bar was moved because it would interfere with other equipment.

A. Pedowitz stated the Recreation Department had a fantastic show in January. He spoke about the Trustees’ roles in the Village and how they represent the residents. He asked for clarification regarding visitors using the golf courses. He also spoke about the safety of residents and how using a swipe system would be a good thing. Residents at the podium should only be allowed to speak two to three minutes. He asked if the Association has Windows 10 program.

Response: Visitors are not allowed to participate in Clubs, Groups and Activities. Visitors may use the Golf Course as long as they are accompanied by the resident.

J. Ercolino reminded residents that cardboard is not accepted at the Recycling trailer. The only thing accepted at the trailer is paper. If you shred paper and place it in a plastic bag, please leave the bag near the opening of the trailer and a volunteer will empty it for you. The container, in the trailer that says plastic only, is for the volunteers only.

R. Owens asked how a resident finds out what condo they are in.

Response: You can call the Association office or if you know your account number it is the first two digits.

R. Scordato asked if the Board checked with the LVW Attorney regarding the window policy that they are trying to implement. He asked where did the statement first coat of paint come from.

Response: It was first reviewed by the Administration Committee and then by the Attorney. It is also described under “Unit” in the Master Deed. This is defined in the Master Deed under what is a unit and what is general common elements.

P. Valente asked if her driveway is on the list for replacement this year.

Response: It is not on the list for this year’s replacement schedule.

J. Staffa spoke about the security in the Village. He is not in favor of the upgrades proposed by the Board for security in the Village.

D. Staugaitis asked the Board if they plan on relocating the gym to Leisure Fair is there a plan for the Clubs that will be displaced. She asked how long the Board will take to decide on what they will do for the gym. She asked if it is relocated to Leisure Fair if the floor will be protected from the equipment since it is newer.

Response: Prior to the discussion for relocating the gym the Ad Hoc Space Committee did an analysis and found the auditoriums are underutilized which may be an option. The Recreation Director is currently looking into this. It may take up to a year so it will affect the 2021 budget. The floor will be protected with rubber matting.

M. Crujeiras stated when she came into Village with her vehicle, she noticed someone walking tried to come through the gate and asked what she should do when that happens.

Response: She should call the police if it seems suspicious.

M.L. Ruggiero feels that residents should not apologize for each other when a comment is made at the podium. If someone disagrees with another resident or the Board it does not mean that they are disrespecting them. She is aware of how much work the Board does and that they are respected but sometimes residents will disagree and she feels they are entitled to do so.

M. Lamberti spoke about a scam that received in the mail from Smart Energy.

A. Pedowitz spoke about how a resident blasted the Board in a previous comment and feels that should be a side conversation with the Board.

There being no further comments or questions, the meeting ended at approximately 3:40 PM.
Manager’s Corner

By Joe Schultz

Troubling Times

It is truly the most unusual of times. I hope all of you are well and taking precautions. Originally it was suggested I talk about social distancing, but I’m sure by now the term has permeated your life in so many ways. I think there’s little I could add that would need to be clarified, even now as I write this, as it has undoubtedly flooded the airways. I think all I can say is keep in touch with your families and your neighbors in these difficult times. Honker down and let this virus pass us by, and hopefully, life will resume as quickly as it slowed down.

You may have already experienced the way we’re managing service requests during this crisis. If not, we’re providing emergency services only for the interior of your units. We’re asking that you do not call for routine interior service requests at this time for your safety, as well as our employees. If we do service your emergency, please keep your distance and allow our employee space to fix the problem, keeping both of you safe. Beyond emergency repairs, we’re focusing our efforts on outdoor work where possible. The recreation staff is hard at work sanitizing the common buildings for staff, you, and the return to normalcy.

As you physically distance yourself from others, don’t forget to stay connected online, by phone, or even writing. This will pass, and things will get better, but for now, stay safe and be well.

It’s Spring Again

Now for a bit of optimism. It’s spring, and the staff is busy painting the Encore building, but more importantly, for some, the pools are being primed for the season. Encore pool is getting a little love this year with new cartridge filters, eliminating the sand that plagued the pool for so many years. Both pools are getting a robotic cleaner that promises to keep the pools a bit cleaner, as the guards notoriously didn’t do a great job in the hour before the pools open. We’re also adding an automated chemical monitor to better conform with the more stringent recreational bathing codes. Important to note, we have filed to have both pools defined as specially exempt facilities. This means we are exempt from mandatory compliance with the first aid personnel and lifeguard requirements. Essentially this means swim at your own risk. That’s probably the first thing you’ll notice when you enter the pool area as all the required signage must be posted. For the normal pool season, we will have a paid attendant there, not a lifeguard. The true benefit will be noticeable when the pools close at the end of the season to visitors and your guests, allowing resident-only access at Willow pool for another whole month!

More trees are being planted to help fill the gap we endured last year from the removal of diseased trees. Equipment is in to support the improved lawn maintenance program adding aeration, fall seeding, and micronutrients for all, instead of by ticket only. Speaking of the new lawn program, you shouldn’t be surprised that maintenance will not be taking seeding requests this year. The plan kicks off this spring with aeration for areas south of the bridge. Following in the fall, the full program starts in areas north of the bridge with aeration, seeding, and the addition of micronutrients to the fertilizer mix. From then on, half of the Village will be seeded every other year, far beyond our capabilities in the past, and should produce heartier lawns over the next couple years. Areas south of the bridge will also receive a high calcium product to help breakdown the clay soil.

Fingers and toes crossed that things get back to normal soon, again, stay well.

Hello, Everyone:

Welcome back all you snowbirds. Your return marks the true beginning of Spring.

I remind all our residents that recycling newspapers and other paper benefits our community. The money made by The Recycling Club buys “capital” goods which can be used by our residents without increasing our HOA fees.

For the time being, the recycling trailer – which is located in the overflow parking lot near Club Encore – is open every day, all day long. We ask that you leave your “deposit” at the opening of the trailer so our volunteers can properly stack the bundles and loose papers in a safe manner. Residents who put stuff into the trailer and do not follow our safety procedures for stacking and throwing bundles on top are endangering our volunteers and other residents. Here are some helpful guidelines:

1. Bundles are placed in “The Wall” standing on edge. Only tightly tied bundles are placed in the Wall. Each layer of the wall has to be tightly packed. Not following these two simple rules can cause the wall to collapse and possibly hurt some. At the least, volunteers will have to re-build the wall.

2. Shredded paper can be left at the trailer in properly sealed bags. Nothing else should be placed in the shredding. Nothing! We prefer the shredded paper be placed in paper bags. Some residents seal the bag with staples or packing tape. Thank you. If you do use a plastic bag, please tie it closed and leave it near the opening of the trailer. Do not throw plastic bags in or on the wall.

3. The “well” (a space between two walls) is for loose papers, such as junk mail and shredded paper. Do not place tied bundles nor plastic bags there.

We do not recycle any type of cardboard. None!, Nada! Niente! Regular cardboard, such as cereal boxes go into your home trash. Corrugated cardboard is put out with the home recycling on Wednesdays.

The recycling trailer is not for plastic bags. A volunteer has to remove the plastic and has to bring it to a local store for recycling there. Please do not leave plastic bags stuffed into our trash container.

Recycling newspaper is a long-time tradition here at VLW. It would be a shame if the situation caused by a few people leaving the wrong items at the trailer force the volunteers to quit. Please, obey the rules posted at the trailer. Do not make extra work for us. Let all of us enjoy the benefits of recycling. Thank you.

Because It’s Thursday! has had a successful 2020 so far. We wore red for Valentine’s Day, beads and masks for Jeudi Gras (our Thursday night Mardi Gras) and green for St. Patrick’s Day. Moving into the main room at Leisure Fair has been wonderful -- giving us more space and as a result more people have been attending.

Having started in August of 2018, Because It’s Thursday! is a non-financial club that meets every Thursday evening from 6:30 pm until 9 pm. There are no dues, no formal programs, and attendance is not taken. We make new friends, enjoy talking to current friends, and have fun. Everyone brings their own liquid refreshments (water, soda, wine, beer, etc.) and a snack to share. The snacks have been amazing from chips and dips to sandwiches, mini hot dogs, and even pasta dishes. There are also deserts, from cookies to cakes and beyond.

April 30, we will be celebrating our 125th get-together with a pot-luck dinner starting at 6 pm in Club Encore. All residents are invited. As mentioned above, please bring your own liquid refreshments (water, soda, wine, beer, etc.) and a pot-luck dish to share. This will be our 4th pot-luck dinner and we are all looking forward to having fun, meeting our neighbors and friends and enjoying lots of wonderful food and desserts. Hope to see you there!

Irish American Club
By Francis Perry

Grant me a sense of humor, Lord
The saving grace to see a joke
To win some happiness from life,
And pass it on to other folks.

We have sprung into spring; I hope in full force.
It will be nice to see green again. I mean the grass
and trees plus colorful flowers.

Our regular meeting will be Tuesday April 14 at
7 pm at Club Encore. A well-informed speaker from
Manchester Library will be our guest. So much to hear
about and learn of our heritage. I do admit I really
love history. The film about Irish in the Catskills in
February was outstanding.

We are looking for new volunteers to work with
our board to make next year even better. Coffee, tea,
and desserts will be served and a chance to see people
you have not talked to during the winter months. We
look forward to seeing everyone on April 14. Come
join us!

Book Discussion Club

By Jan Stubbs

There was such a difference of opinion on our February selection of *Then She Was Gone*, with ratings of 0 to ratings of 5. As one member put it, we always have the best discussions on the books that have the widest range of ratings.

March’s selection, *The Round House*, by Louise Erdrich, a modern mystery wrapped up in a coming of age story, was a little more traditional—except that it took place on the Ojibwe reservation in North Dakota.

Now in April we jump way back in history to Cleopatra: *A Life*, by Stacy Schiff.

The Pulitzer Prize-winning biographer brings to life the most intriguing woman in the history of the world: Cleopatra, the last queen of Egypt. Her palace shimmered with onyx, garnets, and gold, but was richer still in political and sexual intrigue. Above all else, Cleopatra was a shrewd strategist and an ingenious negotiator.

Though her life spanned fewer than forty years, it reshaped the contours of the ancient world. She was married twice, each time to a brother. She waged a brutal civil war against the first when both were teenagers, and she poisoned the second. Ultimately she dispensed with an ambitious sister as well; incest and assassination were family specialties. Cleopatra appears to have had sex with only two men. They happen, however, to have been Julius Caesar and Mark Antony, among the most prominent Romans of the day; both were married to other women. Cleopatra had a child with Caesar and—after his murder—three more with his protégé. She was the wealthiest ruler in the Mediterranean, and the relationship with Antony confirmed her status as the most influential woman of the age. The two would together attempt to forge a new empire, in an alliance that spelled their ends. Cleopatra has lodged herself in our imaginations ever since.

I just can’t wait for the discussion on this book at our April 8 meeting, 7 pm in Rooms A/B at Willow Hall. See you there.

Choosing roe over romance more than 50 of our members visited Jenkinson’s Aquarium on Valentine’s Day, where an outstanding variety of fish, sharks, and rays from the Atlantic and the Pacific are curated. Crustaceans, corals, lizards, tortoises, macaws, and monkeys rounded out the miscellany. To everyone's delight, the southern hemisphere’s most sartorial and engaging birds, the penguins (African Penguins, to be exact) appeared as fascinated by us as we them. We were even treated to a penguin seminar, replete with Q & A. Thank you, Avriel, for impeccably organizing this rewarding trip.

What came to be known as Whitesbog Village in Browns Mills, NJ, is another splendid and accessible resource close to LVW. Still yielding rich harvests, Whitesbog has been an important part of Ocean County since the mid-1800s, when the perfect duet formed by the elemental forces that merged bogs and cranberries became such a fruitful enterprise. As elucidated by Jessica Grill, Education Coordinator for the Pinelands Institute, at the February meeting (which began with the Nature Club’s scrumptious annual wine and cheese event) Whitesbog’s founding families, the Fenwicks and the Whites, were visionary in their husbandry of cranberries and blueberries. As the quintessential company town, the 3,000 acres, 25 buildings, and 400+ employees (permanent and seasonal) composing Whitesbog Village elevated cranberry farming to an industrial scale. Also renowned for its natural history, Whitesbog attracts significant numbers of Tundra Swans (North America’s smallest swan). This crucial stopover is scrupulously maintained to protect the population of Tundra Swans as they migrate the Atlantic Flyway.

Whitesbog Village was acquired by the state in 1967 and is now a vital component of the Brendan T. Byrne State Forest, hosting numerous special events throughout the year.

Our next meeting, scheduled for Monday, April 27, 7 pm at Willow Hall, will feature Becky Laboy, Education Outreach Specialist, from Ocean County Soil Conservation District. Her program, “Combating Climate Change with a Jersey-Friendly Yard,” will show us how to restore and maintain healthy soil in and around LVW. From an agricultural and horticultural perspective, the information Becky conveys is sure to be timely and important.
Happy Spring

I am writing this in the middle of February, and so far, it seems we have lucked out this winter as far as bad weather goes. I hope I didn't jinx us.

The Tuesday, April 14, Caritas Guild meeting at 2 pm in Club Encore will feature Danielle Roz whose professional name is Red Bird. Danielle entertained us once before with her wonderful voice and we are so happy to have her back.

Bernice Kropkowski has been doing a terrific job obtaining programs for Caritas meetings for the last year or two. We need someone to step up to fill this position. You will have help from the Board members who are always on the lookout for talent for the meetings.

Speaking of open positions, we are in desperate need of a President. If no one volunteers, there won't be a Caritas Guild next year nor an Installation Luncheon in June. Previous presidents and board members will be there to help you. It would be a shame for such a beautiful and charitable club that has done so much for the community to fold. Please, please consider contacting someone on the board even if you are just curious about what the duties would be as President.

Preparations for the April 23 Card Party are in full swing thanks to Bernice Kropkowski and Meg Kavazanjian. If you still need tickets, you can call Bernie at 732-657-6035 or Meg at 732-657-5484 or buy tickets at the door. The venue is Willow Hall and the time is 1 pm. See you there.

Have a Holy and Blessed Easter!

April is a busy month for ORT. Our monthly meeting is Thursday, April 2, at 1 pm in Club Encore. Ryan Edwards, a Partnership Specialist for the New Jersey Field Division of the US Census Bureau, will speak to us about the upcoming census and some of the changes that have occurred throughout the years. Join us for a meaningful presentation and bring your questions. ORT will conclude our book collection for the Lakehurst school libraries during this month. There are collection boxes in both Willow Hall and Club Encore for your new books for grades K-8. You can also bring any books that you wish to donate to our meeting on April 2.

The ORT meeting on Thursday, May 7, will be held at our regular time of 7 pm at Club Encore. Please join us for some tasty refreshments and an informational presentation from Jennifer Klein MSRD, the registered dietician for the ShopRite stores. Speaking of ShopRite, ORT sells ShopRite gift cards on the first Tuesday of every month from 10-12 at Encore Clubhouse. You can also purchase gift cards at any of our meetings. These cards can be used in any Shoprite store and are very handy to give as gifts too.
Spring is finally here! As the robins return, daffodils appear and the days get longer. We enjoy brisk mornings, warm afternoons and an occasional April shower! We extend best wishes to our residents and their families for a Happy Passover and Happy Easter.

What a wonderful meeting we had on Monday. Our own historian, Frank Cutrone, held the attention of the audience when he educated us on Italian American history regarding a songwriter named Harry Warren. What? You’re not familiar with this famous Italian songwriter who does not even have an Italian name? Then, I’ll let you in on a secret. Harry’s roots are from Calabria, and he was born to Italian immigrant parents. After serving in WWI, he began writing the song for American films. Who knows “Lullaby on Broadway”, “We’re in the Money”, “Jeepers Creepers”, “42nd Street”, “That’s Amore”, and how about “Chattanooga Choo Choo”? Yup, that was Harry at work. Mr. Warren recorded over 500 songs for American films. He also recorded the first gold album in history and wrote more songs than Irving Berlin. Still bedazzled how someone with such a name could be Italian? OK, his given name was Salvatore Antonio Guaranga. Is that Italian enough for you? Thank you to Frank for enlightening all of us at this meeting. I, like many, was both surprised and delighted to hear this interesting tidbit of information.

Our entertainment chair, Tom Albert, is hosting an “All Request Night” scheduled for the Monday, April 20 meeting. Please send in or drop off the supplied flyers with your requests. I’m sure we will have a spectacular night listening to some of our favorite music.

Please contact Eleanor Berardis (646-330-7152) to obtain tickets for our next A/C trip to Golden Nugget Casino scheduled for Tuesday, May 19.

The IASC (Italian American Social Club) holds meetings on the third Monday of each month in Club Encore, starting at 6:30 pm for newcomer sign-ups. Our membership year is January 2020 through December 2020. Dues will be collected at the start of each meeting for those renewing as well as newcomers. The cost is $8 per person (checks only!) for the year. Don’t wait to join or you’ll miss out on all the fun times! As always, we thank you for your support of the IASC.

Hoping April showers are bringing May flowers and not the missing snow we had this past winter! Mother Nature can be so mysterious, and one never knows how it will go.

As I sit here writing this article today, my husband is out of commission for a short while due to illness, and I truly realize what it means to rely on others when you are not feeling well, unable to drive or do things you used to do. Thankfully, I am the “chauffeur” this time around. However, what if I wasn’t able to drive or not here? It would have been challenging for him to get to the doctor and the pharmacy. That’s when VISTON volunteers are “miracle workers.” They selfishly give of their time to assist fellow residents in the LVW community with transportation to doctor appointments, blood drawings and to do light shopping when they are not able to drive.

VISTON entirely relies on volunteers to continue to provide these services. We need office workers as well as drivers. If you can give just an hour or so of your time each month, please contact the VISTON office either by phone (732-657-1818) or visit the office in Willow Hall, which is open 9-11 a.m. every Monday, Wednesday and Friday.

Thank you for your support!

March was a busy month for the Club. Our members celebrated St. Patrick’s Day with a very nice lunch catered by Mulberry Street. We also held the club’s Spring Craft Sale. Thanks to those members who contributed sale items and to those who volunteered their time to help set up, breakdown and spend the day working the sale. A special thanks to Charlotte for feeding us. Now we all need to look towards our Fall Sale in November and spread the word so it’s a success.

Have you noticed that our monthly articles are short? Have you noticed that knit or crochet patterns no longer appear? Well there is a reason for that, the publisher of LVW News has lost many advertisers, which pays for publishing and free distribution, therefore reducing the number of pages. All clubs were requested to keep articles to approximately 350 words. Therefore, in order to share as much club information to you, we eliminated patterns. Do not fear! If there is a pattern you need, just let Charlotte or I know and we’ll do our best to get it for you, if possible. If you have patterns to share with others bring them to a meeting, just be sure they are not copyright protected.

The club is also looking for members who will share their craft skills with us, other than knitting or crochet. We love having crafting fun together. Happy Spring!

Our April gathering, on Monday, April 9, will be a community discussion on discrimination in the LGBTQ community. Nearly every one of us has experienced this in our lives, whether in our younger years or even here in LVW. Share your experiences, and learn techniques to combat discrimination when this happens to you.

As usual, we meet at 7 pm in Willow Auditorium. Don’t forget a snack to share and a beverage for yourself.

The LGBTQ+ & Friends group continues its supportive environment for everyone in Leisure Village West. We welcome our lesbian, gay, bisexual, transgender, and questioning residents, plus our friends to join us.

SEE YOU THERE!
As we enter the fourth month of this year, we should harken back to the first tournament of the year. In mid-February, members of the Ping-Pong club competed in the Winter Doubles Tournament. In the last tournament there were three divisions and the competitors were playing against those in their division. This time, due to people’s schedules, there were not as many participants, Barrington Gooden, the tournament director made partners of mixed levels.

The combatants took center stage over the middle two weeks of February. There were many closely fought matches and exciting volleys. Very interesting games to watch with some perceived upsets. Even with a different format, the cream rose to the top with Barrington Gooden and Ann Therway playing Billy “the Kid” Fantasia and Americo Guerriero. The team of Billy “the Kid” and Ricco walked away with a well-deserved tournament victory!

The Ping-Pong club is fortunate to have the people willing to make these tournaments run. Kudos to Barrington Gooden for organizing and directing the tournament, Bob Hoch, our excellent score keeper and Barrington Gooden and Bob Nucci for officiating the matches.

This tournament was an interesting and fun time. If you were unable to be involved this time, the year is still young! In May, you will be provided with another opportunity to compete for the coveted tournament trophy. This month, the Red and Black Team Competition will continue on Fridays. As always, a good time is promised while playing and competing with each other. Come and enjoy!

**April 2020**

Have you ever heard of Gravlax? Do you like lox or smoked salmon? Gravlax might be an alternative to the others, especially since a pound of smoked salmon could run from $30 a pound while Gravlax is less than $10 a pound. One little hitch, with Gravlax, you have to do a little work, but it’s worth it.

Let us start from the beginning. Winters in Scandinavia are cold and the Nordic solution to the harsh climate was to embrace it, so preservation techniques played a large role in the dishes which evolved over the centuries. Finns, Danes, Norwegians and Swedes dried cod, pickled herring and in this case, buried salmon on beaches above the high tide line. Gravlax means, “buried salmon”, but you don’t have to bury it to get the same results.

Mustard sauce compliments Gravlax so try to find a mild Swedish style mustard or try a blend of Dijon and honey mustard. With all that in mind here’s the recipe.

Go out and catch a salmon

1 large bunch of dill (divided)  
1 side, (about 3 lbs) of salmon, skin on.  
1 cup of sugar  
½ cup of sea salt  
2 tbs cracked white peppercorns  
1 tbs coriander seeds, crushed

Use a shallow glass dish large enough to hold the salmon. Line the bottom with the stems from the bunch of dill, place the salmon skin-side down.

In a bowl, stir together the sugar, salt, peppercorns and coriander. Rub mixture gently into the salmon then sprinkle on the remainder of the dill. Cover the fish with plastic wrap and refrigerate for 24-48 hours.

Pour a glass of Aquavit, try the Gravlax with mustard, (I like a spicy mustard), and enjoy.

Men’s Tuesday Bowling League
by Sid Klotz

February’s report covers weeks 22 through 25 (02/25/2020), with 7 weeks remaining in the season. The top 6 teams are still the top 6 teams, with some jumping around. The Eagles went 18 and 10 during these 4 weeks to maintain their position in 1st place. The Dolphins went 17 + 11 to maintain their position in 2nd place, 4-1/2 points behind the Eagles. The Bills went 14 + 14 to maintain their position in 3rd place, 4 points behind the Dolphins. The Colts, after going 17 + 11, moved up a spot to tie for 3rd place with The Bills. The Saints went from 10th to 7th, with a 19 + 9 month. The Giants had a great month going 22 + 6 to go from 12th place to 9th (one point below .500).

On an individual basis, Bob Horn pushed his league-leading average to 199.41. Ray Nasto moved into 2nd at 193.32, swapping positions with Bob Kaplan, who increased his average to 191.86. Steve Truzzolino’s 191.63 pushed past John DeLello for 4th best average. Bob Horn and Art Hansen have joined Steve Truzzolino with high games of 279. Bob Horn bowled a series high of 742, passing Steve Truzzolino’s 714. The Jets passed the Browns with a league-leading Team Game of 876 and a league-leading high series of 2576. During these four weeks, there have been 15 games of 235 and over. There were seven series of 650 or more. It seems like a lot of our bowlers have hit their stride. Let’s see what happens in the remaining seven weeks.

If you’d like to bowl, join us in our 95% Handicapped league. Call Sid Klotz @ (201) 280-4542 or Tony Gentilella @ (610) 209-8834 for information.

STANDINGS ARE POSTED ON THE BULLETIN BOARDS IN WILLOW AND ENCORE.

Men’s Inside Golf
The 2020 Men’s Inside Golf season opens
by Greg Prelich

If it’s April, then it must be time to get outside and enjoy the spring weather on our golf courses. We have just experienced a relatively warm winter, allowing ever-anxious golfers to play occasionally when the temperatures rose into the 50’s. Now that the temperatures are becoming consistently warmer, our golf courses will become busier. Any resident can play on the golf courses by themself, but golf is more interesting with other people. You can join the LVW Golf and Social Club to meet like-minded golfers, participate in tournaments at outside courses, and enjoy the social events. That is great for people who like playing on the big courses, but perhaps not everybody knows about Men’s Inside Golf, which is a subset within the Golf Club that plays and organizes tournaments right here on our home Willow Golf Course.

Inside Golf is great for people who are newly learning how to play the game or for more experienced golfers to polish up their short game. We play 9-hole tournaments at 9 am on alternating Fridays throughout the warmer months, with the first two tournaments occurring on April 17 and May 1. Based on scores obtained in the first several tournaments, each golfer earns a handicap, which allows evenly matched competitions (with prize money) at three skill levels later in the season. We sponsor a two-round championship tournament in August and other fun tourneys including a team event and a two-club tournament.

If you enjoy playing on our village courses, give the Men’s Inside Golf a try. We’d love to see new players join us in 2020. You can join at the opening Golf Club meeting on April 8 at 7 pm in Willow Hall. See ya there. Fore!

Women’s Inside Golf
Are you ready?
By Lois Hetfield

This has been by far the warmest winter I have ever experienced. I hope you have been able to enjoy it and have kept on swinging! We are looking forward to our upcoming golfing season, so shine up your clubs and mark your calendars.

All of our tournaments are on Thursdays except for the first one which is on Wednesday, May 6. Our Schedule for the season follows: May 6, I Hate These 2 Holes; May 14, Low Gross; May 28, Casino Golf; June 11, Low Net with a Twist; June 15 (Monday), Women’s Luncheon; June 25, Flag Tournament; July 9, Two Blind Holes; July 23, Orange Ball; August 6, Championship Qualifier; August 20, Championship Finals; August 27, Women’s Fun Golf Outing/Picnic; September 17, Original Leisure Village @ LVW.

Please join us for our kick-off breakfast on April 23 at Willow, 9 am. We will discuss our upcoming season and answer any questions you may have. “Warm-up” golf will follow. We look forward to seeing you there!
April rain is said to bring May flowers. Let’s hope it does not rain too much in April, just enough to let us enjoy some beautiful May flowers.

This April’s meeting is themed Taco Tuesday. Join us on Tuesday, April 14, at 1 pm at Willow Clubhouse with your favorite Mexican food. Are you a big fan of Enchiladas? Maybe fajitas are your go-to Mexican dish. Mexican food can be great for vegetarians, vegans, and those needing gluten-free foods.

Those who need special diets can be included in our meals this month. Those on special diets can choose soft or hard corn tortillas rather than flour tortillas. They can avoid fried fish and marinades or spice mixings that use gluten. Rice bowls are great with all kinds of toppings and are low carb if you use cauliflower rice.

Nachos are great. Many brand name tortillas are gluten-free. Add some of your favorite chicken or beef mixes on top with cheese and yum! Try some shredded chicken, seasoned with salt, pepper, cumin, and chili powder added to black beans and salsa and slow-cooked as a topping for Nachos or as a filling for corn Enchiladas.

How about some Sopapillas or Churros for dessert? Or a slice of Mexican chocolate cake for a wonderful dessert. Cinnamon and cayenne pepper pull some Mexican flavors into this delicious chocolate dessert. When using a vegan recipe, this chocolate cake could be made dairy-free, egg-free, and cholesterol-free. Good for everyone!

We look forward to seeing everyone at our meeting on Tuesday, April 14 at 1 pm in Willow Hall. If you are a member and do not wish to cook, you can pay $7 and enjoy all the food. Everyone is welcome to join us. Dues are $5.

*Please make sure all your fixings, toppings, and mixes say “gluten-free” before making your dish available to our gluten-free members.
With spring emerging members of the Bocce & Social Club eagerly await for play to commence. Registration for the Spring Leagues will be available at the general meeting on April 6 at Club Encore at 6:30 pm. Sign up also occurred at the March 2 meeting. Paid dues of $8 are required to participate. The Men’s League begins on Monday, May 4. The Ladies’ League starts on Friday, May 8, and the Home Team commences on Thursday, May 7. They all begin at 9 am. The courts will be in pristine condition awaiting the arrival of the players. Everyone is anticipating an exciting season.

Our own Ferlie Almonte provided the entertainment at the March meeting. The Bocce Club presented Karaoke Night with the audience as participants entertaining the remainder of the membership. Ferlie, the Mistress of Ceremony, created a fun evening for all. Ms. Almonte, a life coach and motivational speaker, encourages everyone to enjoy a more productive life. The evening was a huge success and thoroughly enjoyed by all.

As our leagues continue throughout the spring, summer, and fall, new and exciting events will fill that time frame. An Open House will take place on May 1 from 9 am to noon for all residents who wish to learn or review the game of Bocce. Members will be available on the courts to explain the game and instruct people in the play. Everyone is welcome to attend. Also during May, will be a community club day event where one can learn more about the various clubs that are available.

Each month there is excellent entertainment at our general meeting as well as delicious desserts. You can order Bocce shirts from Kathy and Lou Maiocco at that time or by calling 518-321-6040. Our club is always on the hunt for new members who want to enjoy the camaraderie within the club and have fun playing Bocce.

We look forward to a grand spring season!

Genealogy Club

By Charlie Brandt

A revised version of the Leisure Village West Genealogy Club met at our regular time, 10 am, on the first Tuesday of the month. With mostly new members, we started where we will begin again next month, with "How Do You Get Started." You ALWAYS START with what you know and look for the new and exciting.

Most of the new members have recently taken the genetic tests that someone gave them for Christmas and are now starting to get back the results of those tests. While we look forward to meeting more residents of LVW who have also started a search with recent genetic testing, the six of us last month could begin the process of our search. One woman returning from last month's meeting brought a beautiful book that she had purchased with the results of her test. She passed it around for all to see. Another had the invitation from "Ancestry," a genealogic research tool, that she was starting to use to accumulate family records and develop her "Family Tree."

We looked, as a group, at some of the material online through the "Ancestry" program to help find the facts that will branch out a family tree. "Ancestry," along with other research programs, are available for free at the Manchester branch of the Ocean County Library and the main branch in Toms River on the 2nd floor. Trained Library staff is there to assist you, and we do hope that by spending time with the LVW Genealogy Club, you are better prepared should you chose to research there.

Speaking about the services provided by the Ocean County Library, on April 1, 2020, at 2:00 pm at the Manchester branch, a member of the staff of the New Jersey State Archives will be speaking on "New Jersey Genealogy." The archives are the source of all official New Jersey records. The files are the source of all records involving wills, birth, marriage, and death for the entire recorded history of the State of New Jersey. This is a great opportunity without driving to Trenton to learn all about these and other officially preserved records of the State of New Jersey.

Having just gotten a start with a new group of budding genealogists, we are looking forward to an even larger group next month. We meet on the 1st Tuesday of the month at 10 am in the card room of Willow Hall. Every family has many unanswered questions. I'm sure many of you have a question or two you wish you had asked your mother or father. Perhaps we can help you find the answers and leave a trail that others might follow. Mark it down April 7, 10 am Card Room, Willow Hall. We hope to see you there!

THANK YOU

These past few months have been a long and trying time for both George and me. However, the cards and calls we received, as well as the donations to our charities was an overwhelming response from family and friends, which helped us get through this difficult time. How fortunate we are to live in this community where the people here care so much. The tribute to George’s life on Sunday, March 8, was overwhelming. We here are family.

To say “Thank you” just doesn’t cut it.

Most Sincerely,
Sara Falk Zitelli
What is E-Skimming?

Have a question regarding smartphones, computers, laptops or artificial intelligence devices? Then our workshops are for you. We meet every Thursday at 10 am in the card room at Club Encore. Our scheduled dates for April are: April 2, April 9, April 16, April 23 and April 30. No general meeting is scheduled April.

What is e-skimming? Federal authorities have a consumer warning for shoppers. Hidden skimming devices (commonly thought to be attached to gas station pumps and ATMs) have gone high-tech. This new type of skimming is called e-skimming or Magecart.

Cybercriminals can gain access to your personal and credit card information in a number of ways. They can break into a web server directly or break into a common server that supports many online shopping websites to compromise them all and once a site has been compromised, the shopper can’t spot the difference. It’s nearly impossible for a consumer to detect that this has happened to them before the actual occurrence. The site that they would look at, which is already infected, would look no different to a consumer. For consumers, there are several things you can do to protect yourself when shopping online.

1. Always shop with a credit card instead of a debit card online. This lessens the inconvenience if your card is compromised, credit card users usually have a lower liability for fraud, and getting money returned to your debit card can take some time.

2. Consider asking your bank or credit card company for a virtual credit card. Not all banks offer it but many do. The virtual credit card is a unique credit card number to be used for specific transactions and for a specific merchant. If this number is compromised, other charges will be declined.

3. Monitor your cards for any unusual activity and report it right away.

The “Ides of March” has passed, and it looks like spring is on its way! With the club season in full swing, the Players Club has planned its spring season with many great monthly programs for its members. The club dues are still only $5, so if you haven't joined now's the time.

Again this month, we have sad news to report to you. George Zitelli, a long time member and valued participant of our club, has passed away. Our deepest condolences go out to Sara, his wife, and their family.

We have formed two new committees in the club: Membership and Tickets chaired by Barbara Pringley; Shed Building Repairs and Replacements chaired by Jim Tuck. If you are interested in serving on either of these committees, please contact Barbara at 732-657-1040 or Jim at 732-408-6501.

Our monthly meeting on Tuesday, April 28, is a surprise meeting. You'll have to be in Willow Hall to find out! Our Tuesday, May 26, meeting will feature Ward Saxton and his beautiful voice. On Tuesday, June 23, the Applaud Our Kids Foundation will present a dance program featuring young people ages 8-20. The Lorraine Metro Scholarship Fund will present the scholarship winners at our Tuesday, July 28 get together, and then we're ready for our summer social which will be held on Tuesday, August 25.

Please put the weekend of May 15 on your calendar when the Players Club will present "The Best of Broadway", written and directed by Rae Tutela. We're already in rehearsal with a great cast of seasoned performers along with some talented and surprising newcomers! With music from "Showboat", "South Pacific", and "Guys and Dolls", you can expect a fantastic show.

Join us for some great monthly entertainment and don't forget "All the world's a stage, and men and women, only players." Are you a player?

It’s Allergy Season!

Please be considerate at community events by reducing the amount of perfume and cologne worn. Many people suffer from allergies and are quite uncomfortable if subjected to excessive fragrances.

Financial Information Club

By William Corrigan

It’s full speed ahead, and the Primary process is well underway. Will the Democrats pick Bernie, Bloomie, or Uncle Joe? By the time you read this article, we should all know the lucky winner.

As far as the market, stocks continue to climb and surprisingly bond funds as well. With interest rates so low, investors want to yield. Meanwhile, the coronavirus is causing major concern in China, and this will definitely impact our US economy.

Thank you, Robert Jacobs, for our guest speaker, March 17 membership meeting where we discussed the latest and the importance of retirement planning.

On April 21, at 10 am in Club Encore, our guest speaker will be Wendy Harshaw, Director of Marketing, The Pines at Whiting, NJ, a Senior Living Retirement Community. Topics will include Medicare, Medicaid, and a discussion on various Nursing Home funding options.

Also, the matter of our upcoming June Board Elections will be discussed. Please contact Bill Corrigan or Walter Dylewski if you are interested in helping the club or becoming an officer. As well, how do we reach out to the new residents of our beautiful LVW? A growing membership is crucial to the continued success of our Financial Information Club.

PS: “Expect the unexpected.”
