SUGGESTION BOX

Michelle Jeskiee

The Activity Committee welcomes ideas and input on functions and timing of events. A new suggestion box is being installed so please share your thoughts. We will try to accommodate as many as possible if the interest is made known. Of course, we may need some extra hands to help with the planning, so new committee members are also sought and welcome!

HAPPY BIRTHDAY BESSIE & BOB FRENCH

Both celebrated her 80th and his 85th birthday at a surprise Party at Calloway's with Friends and family.

NATHAN OLMEDA

Nathan Olmeda, grandson of Robert Olmeda and the late Cookie Olmeda, has been accepted to the 2025 Freshman class at the U.S. Naval Academy in Annapolis, Maryland. Nathan will graduate in June from the Marine and Science School of Technology (MAST) in Sandy Hook.

THE BREEZE OBITUARY POLICY

Our obituary policy is straightforward: provide the funeral home's name to the office, and we will manage the rest. Obtaining obituaries from the funeral home helps ensure accurate information and avoids potential legal issues. We have encountered instances where family-written obituaries contained incorrect details or were published against the wishes of the surviving spouse. In one case, an obituary was mistakenly published for someone who was still alive.

CRAFTING DAY

Photos by Marty Hochman and Bobbie Jo Rasberger

GET TOGETHER FOR CRAFTING

Although it was a beautiful hint of Spring outside, over 30 SRB residents gathered to craft something beauty inside our Ballroom on March 12th. Several gathered to make wreaths for their homes with Michelle Jeskie leading the instruction.

Others brought crochet and knitting projects as well as cross stitch kits to work on in the company of good friends and good conversation. Diamond art projects caught the attention of a few and they marveled at the patience of those working with those tiny stones! And how pretty the finished product turned out to be!

Some just came to pursue the art of good conversation, laughter and fun! It was a very nice day to gather with the folks of the community after a long hard winter. This won't be the last crafting day for sure!

GAME NIGHT

Mary Joan Piechocki

Photos by Kathy Powers

Our second Game Day/Night was held Wednesday March 26th. Folks had a lot of fun playing Yahtzee, Mexican Train and Scrabble. You could tell by the cheers and laughter from each table! Diane F put YouTube music videos on the TV screen, and many had a wonderful time singing along or guessing who wrote and sang the familiar songs of our younger years. It was a great night out with all kinds of snacks and good company. Next time is already being planned and we're all bringing a friend along to share the fun!

COZUMEL

Photo by Lorraine Bruno

Lorraine and Steve Gondelman recently sailed on the Celebrity Summit, enjoying a nine night cruise. Stops included Key West, Costa Maya, Cozumel and Grand Cayman. Rose and Gary Gowski, Cathy and Jim Devonmille and Maryse Higgins were also on board. It was a great escape from the New Jersey winter blues.

MOTHER'S DAY

From Goggle

Honoring mothers and motherhood is a custom celebrated around the world, and one that dates back to ancient Greece and Rome, with festivals for the mother goddesses, Rhea and Cybele. In the US, we celebrate Mother's Day on the second Sunday of May, and this tradition has its own origin story. The clearest precursor to the holiday we celebrate today is Mothering Sunday, an early Christian festival popular in the United Kingdom and Europe.

But the path to what we now know as Mother's Day includes some twists and turns, including regret and an attempted reversal by the founder of the official holiday. These days, we often don't reflect on the history of Mother's Day and its evolution over the years. Busy lives mean it can be tough to find the time to just plan for the big day. This is a bit ironic in the case of Mother's Day, whose focus has seen some drastic changes in its history.

The creation of Mother's Day is attributed to three women: Julia Ward Howe and Ann Reeves Jarvis, both community activists who founded the day for community engagement and mutual aid, and the daughter of Ann Reeves Jarvis, Anna M. Jarvis, who campaigned to make Mother's Day an official holiday to memorialize her mother's achievements in service and honor all mothers.

TRIVIA DAY

Michelle Jeskie

Another fun day at Sunrise Bay! A Trivia contest brought a group of residents together to laugh, eat, drink and either get stumped or not by the questions asked. A few teams rose to the top of the group by answering most questions correctly. 3rd place was awarded to Joe and Nancy Ferrante, Laura and Nate Faronea and Georgia Ruiz (not pictured) with 66%. A tie breaker resulted in 2nd place going to Jim Devonmille, Tom and Diane Farley, Nancy Payne and Bill Jeskie, with 76% accuracy. 1st place, with 77% correct, were Lorraine and Steve Gondelman and Rose and Gary Gowsky. Congratulations to all the winners. Thank you to all of the residents who came out to enjoy the day and to everyone who helped set it up and make it successful. Based on everyone's feedback, we are looking forward to another Trivia Day in the future.

SALVATORE RAYMOND "SONNY" LA BIANCA

Salvatore Raymond "Sonny"

La Bianca, 87, passed away on March 21, 2025, in Manahawkin, New Jersey. Born on March 14, 1938, in the Bronx, New York, Sonny lived a life defined by dedication to family, service to his community, and an unwavering commitment to his values. Sonny

attended P.S. 127 in the Bronx before pursuing further training with the NYC Bricklayers Union and later the NYPD Police Academy. His career as a Transit Police Officer with the NYPD was marked by bravery and distinction. Officer La Bianca, shield #2498, received several commendations for his service, including the Police Combat Cross, Meritorious Police Duty award, and the Purple Shield. His career was cut short in 1971 due to injuries sustained during the Black Panther/Earth Day riots on April 22, 1970. Despite this early retirement from law enforcement, Sonny remained a steadfast figure of strength and resilience.

Music was another of Sonny's many talents; as a young man, he performed in talent shows and embraced music as a creative outlet throughout his life. Above all else, he cherished his role as a husband and father. Alongside his beloved wife Joan-his partner of 68 years-he raised three sons with strong values of respect, loyalty, and honor.

Sonny is survived by his devoted wife Joan; sons Robert (Pamela) and John (Lori) La Bianca; brother-in-law Arthur Schmitt; sister-in law Jean La Bianca. Grandchildren Thomas, Michael, Anthony, Timothy, Jennifer, Krista, Olivia, Emily, Abigail, Ruby La Bianca and Amanda Pratt. He was preceded in death by his son Joseph; parents Giuseppe and Dorothea; parents-in-law Arthur and Josephine (Burke) Schmitt; sisters Francine (Joseph) Casio and Rosaria (Anthony) Rumore; brothers Joseph (Carol), Mario (Gloria), and Victor Carmine La Bianca; and sister-in-law Nancy Schmitt.

Sonny worshipped at St. Dominic's Catholic Church in the Bronx. He carried strong family values throughout his life and remained a steadfast presence

for those who needed him most. His work ethic was unmatched-at times working three jobs early in his marriage to provide for those he loved.

Sonny's legacy is one of strength, devotion, and integrity-a life well-lived that will be remembered by all who knew him. May he rest in peace.

SENIOR ADVISORY MEETING

Rick Johnson

I attended the Senior Advisory Meeting held on March 31st, at the Mystic Shores Clubhouse.

Guest Speaker #1 was Little Egg Harbor Police Chief Jim Hawkins, told us about their 1st Citizen Police Academy, an 8-week course.

Problem with cars being broken into, please lock your car doors as they are going around checking for open car door handles, don't leave valuables, key fobs, and close your garage doors.

Fraud is still a big problem among seniors, receiving calls that a grandchild is in trouble, and you need to send money to resolve the problem.... BIG SCAM DON'T DO IT!!!!

2nd Guest Speaker was Assemblymen Brain Rumpf.

Number one issue right now in NJ are the Utility Bills everyone receives, enhancing solar and windmill usage.

We created more energy in the past. but Governor eliminated other sources of energy, so now we depend on other states. There is a bill to certify nuclear reactors grid in Lacey Township to help with our utility bills, not enough supply to meet the demand of the public.

He serves on the State Budget Committee \$58.05 Billion which fully funds the States Pensions, but local school budgets have been cut. They are trying to bring schools within budget as there is too much over run spending. He serves on the States Military Veterans Committee and said NJ needs to do more for its veterans. A bill is pending to give disabled veterans not receiving 100% disability, a corresponding amount of their disability to offset taxes,

Senior Freeze and Anchor programs will happen if- 1-Fully Funded Education, 2-Fully Funded Pensions, 3-Amount of Surplus currently 11%.

Was asked how the cuts on the Federal level will affect the State budget programs he was unsure of that issue. How will the state handle emergencies if FEMA is done away with as was much needed when Sandy hits the shore area, again too early to know.

3rd Guest Speaker was Dana from the LEH Tax Collection Office, spoke about the PAS Booklets P-Property Freeze, A-Anchor, S-State of NJ. They are going to be holding a learning session on Wednesdays 1-3pm at the Town Hall for those having trouble filling out the booklets,

Councilmen Laney was asked if he could investigate the road conditions at the entrance to SRB at the Radio Rd entrance, said he will do so.

Next Senior Advisory Meeting will be held on April 28th at the Cranberry Creek Clubhouse at 10am.

Thank you to Sandie Campanell, Theresa Davis, Siggie Anderson and Art Mooney for representing SRB.

LAWN CUTTING

Rick Johnson

At a recent open community board meeting a resident ask if we could change the lawn cutting schedule. We do listen to your concerns and I have been working with Meticulous and we have a new lawn cutting schedule when they begin cutting the 3rd week of April.

Monday- Clubhouse, Large Island bordered by Windstar/Sunrise Bay Blvd.

Tuesday- Sunrise Bay Blvd/Marina Way/Nautic Way/Windstar Dr.

Wednesday- Windstar Dr/Pelican Lane/Reef Lane/Seagull Dr.

Thursday- Seagull Dr/Sweetwater Dr/Windstar Dr/Pier Point/Coral Dr.

Sorry I can't get the Post Office to change, as we would say, someone has to be first someone has to be last!!!!
